March 2013

MARCH EDITORIAL

After eight months of publishing the new format Crudwell Parish News(CPN) the Parish Council at the February PCM reviewed the progress to date of both the successful publication and the changes necessary to ensure the future viability of our Parish Magazine. There are several areas of particular concern that have been identified.

THE MANAGEMENT TEAM:

The Terms of Reference for the management of the CPN identifies there being a requirement for an Editor supported by Finance, Advertising and Distribution Managers. These functions are all at the present time fulfilled by Parish Councillors which can only be considered as a short term commitment. Despite repeatedly asking for volunteers to join the Management Team it has not been possible to recruit a sustainable number of candidates to guarantee the long term publication of the CPN. Without such additional help the publication of the CPN will cease in the near future.

The publication and printing of the CPN has been successfully established as verified by the eight editions that have been distributed since its inception. The continued publication of the CPN is financially assured provided that a Management Team can continue to develop and enhance the appeal to the readership.

It is only with the assistance of volunteers that the aspirations for a successful Parish magazine can be achieved. If you feel that you can in any way help, please contact the Parish Council to discuss any contribution that you may be able to offer.

ARTICLES/COPY FOR PUBLICATION:

There was initially a very good response for the submission of articles and reports for publication. More recently there have been fewer submissions which causes some doubt as to whether there is even sufficient demand to continue publication. This lack of articles is disappointing when considering the vast number of groups and organisations that operate in the Parish covering a wide range of subjects from toddler to adult participation. In particular, the Editor would

welcome submissions for a Youth Page, stories and poems from the Village School, small advertisements of say about 25 words free of charge, and Letters to the Editor.

In general, articles on any subject will be welcome and printed at the Editors discretion.

ADDITIONAL CPN COPIES:

The Management Team are committed to delivering a copy of the CPN to every domestic dwelling in the Parish free of charge, or if preferred an e-mail version, and when necessary subsidised by the Parish Council. There have been a substantial number of requests for additional copies of the CPN to be distributed out of the Parish for a variety of reasons, to ex-Crudwellians and adjacent Parishes for example. During the course of a year this is a significant cost to the financial viability to the CPN.

The Management Team recognises that such distribution is greatly appreciated by the recipients but feel that a charge for such copies is not unreasonable. However, a free copy to anyone is available by e-mail and may be obtained from the Editor by making individual e-mail addresses available.

Alternatively, a hard copy at a nominal cost of 50p per month, paid in advance, can be delivered to any address in the Parish. For adjacent Parishes, quantities to order at a cost of 50p per copy, paid in advance, may be collected from the Distribution Manager or if more convenient please take advantage of the free e-mail copy facility.

A FINAL WORD FROM THE CPN MANAGEMENT TEAM:

We do hope that we have been able to explain to you the urgent need for volunteers to assist with the continued publication of the CPN and without articles to publish we have no Parish Magazine. The escalating number of requests for additional copies of the CPN make it essential to introduce the e-mail version to everyone but with the alternative hard copy available at a subsidised cost.

If you can help to ensure the continued publication of the CPN please do contact the Editor who will also be most grateful to you for any comments you may have relating to our Parish Magazine.

February 2013 Report

On Wednesday 20th March we will be having the Members' Dinner at the Pear Tree, Purton. 7pm for 7.30pm. This is a ticket only evening as we are limited to seating. The next meeting after that will be on the 17th April at our Friends' evening at Malmesbury School with Sue Kehoe demonstrating "Madame du Paris, Coco Chanel". Members come along free and can bring along a friend for the cost of £6 inclusive of a drink. Doors open at 6.45 for a 7.30pm start. Tickets for this event can be purchased by contacting Sue on 01666 577125 or at the dinner in March. So just a

reminder that the March and April club meetings will not be held at Crudwell Village Hall.

Another note for the diary is Saturday 13th July when there is a day trip to the NAFAS Show at Bournemouth International Centre. This is an opportunity to see more wonderful and varied flower arrangements and to see an optional demonstration 'Entertaining Flora' by Keith Smithies. If instead, you just want a day out visiting Bournemouth, the coach transport is good value at £15 return for non members of the club and £14 return for members. Coach leaves Crudwell at 7.30am and returns around 7.30pm in the evening. We have a very full and interesting programme of events for the coming year and will make you very welcome if you wish to visit the club.

Easy Oven Frittata

Ingredients:

- ½ tsp olive oil
- 100g fusilli or macaroni
- 1 leek or bunch of spring onions chopped
- 100g frozen or canned sweetcorn
- 100g frozen peas
- 1 red pepper, deseeded and chopped
- 3 large eggs
- 175ml semi-skimmed milk
- 1 tbsp fresh thyme leaves (or 1 tsp dried thyme)
- 75g extra mature cheddar grated
- 3 tbsp finely grated Parmesan

1. Heat oven to 190c/fan170c. Grease a 1.5 litre baking dish with the olive oil
2. Cook the pasta in salted boiling water in a large pan for 8 mins. Add all the vegetables and cook for another 2-3 mins until the pasta is tender and the vegetables slightly softened. Drain, then tip into the baking dish and mix well.
3. Beat together the eggs and milk in a jug and add the thyme. Mix the two cheeses together and add most of it to the egg mixture, then season. Pour into the baking dish, stir gently, then scatter the rest of the cheese on top. Bake for 35-40 mins until set and golden. Cool for a few mins, then serve with a green salad.

Crudwell Bike Ride 2013 Update

Well the final results are in for the Bike Ride 2012, as you can see it takes some time to chase down all sponsorship and reconcile the results. So without further ado, here are last year's results, facts and figures;

Trophies

Overall Winners	Ride 24/7
Under 11's	Oaksey School
Under 16's	Flat Tyre Fools
Sportsmanship	Ben Walker
Skids	Alex Sharples
Millennium Cup	Andy Lamb
Highest Sponsorship	

1st Creoda Bikes

2nd Geese Lightening

3rd Me, Myself & I

Grand totals

Total sum raised before Gift Aid £13,143.45

This is a fantastic increase in monies raised of 56% on 2011 raised by 33 teams which again is a 10% increase in teams entered.

The final sums raised means that £7,589.57 was donated to the 25 nominated charities.

Sponsorship

We are extremely grateful for all the continued support our sponsors provide to the race be it financial or in other methods of support. If you are new to the village and /or feel that you are in a position to help with the sponsorship please get in touch on 01666 575443

Looking forward 2013

The committee are working hard to improve things for next year, there are works scheduled for the entrance /exit areas making lap transitions easier and safer for the riders. It is also hoped that new shower facilities will be on line for the event this year.

Members of the committee are working to revamp the website in time for 2013 registration which will assist with online registration and also the creation of a Facebook Group.....watch this space!

www.crudwellbikeride.co.uk is currently undergoing maintenance so is unavailable at the time a writing.

So as the evening start to draw out and the weather improves, fingers crossed, it's time to start thinking about your team for 2013. See you next month.

Crudwell Short Mat Bowls Club

With a number of games postponed due to the recent adverse weather conditions, our club is now playing catch-up. In the County League, despite having played fewer games than the rest of the league teams we remain unbeaten in first place.

However, we have played most of our games at home so we will have to battle to retain our current position.

In the Malmesbury League, the Curlews seem to have a significant lead and should retain the title of League Champions (for the third year). The Coots team are currently in second place and can only be caught by Kington Langley Swallows.

The Curlews also have one foot in the Final of the League Knock-out Cup having beaten Little Somerford at home comfortably. With a good away result, the Curlews will play KL Swallows in the Final.

On the home front, the Club Singles were played out in early January. There were good performances in early rounds from a number of the club's newer bowlers but it was the more experienced 'campaigners' Nev Doel and Geoff Lane who proceeded to the Final.

In an evenly fought game, Nev clawed back the lead after going behind early on. However Geoff picked up three shots in the final

two ends to take the Singles title by a single shot.

The club looks forward to hosting two afternoon friendlies against South Cerney in the near future. Short mat bowls is a friendly yet competitive sport which can be played by people of all ages. If you fancy having a go, come down to Crudwell Village Hall on Thursday afternoons (2.30pm start) or Sunday evenings (7.30pm start) and have a go. Please bring flat shoes and we will provide the woods and some guidance. Your first session is free.

STOP PRESS - Les and Pam Baldry, playing with Geoff Lane won the County Triples for the third time in the last four years. CONGRATULATIONS

View from the Farm Gate

I thought that being a farmer and a parish councillor, I would do my bit to fill a slot and explain a little about the current state of the countryside in this month's CPN.

We are all aware that it has been particularly wet of late, both this year and last has seen some of the highest rain fall on record and the long range forecast shows us little sign that it is relenting, predictions saying this will continue into 2014 (deep sigh).

I was informed of a rather depressing fact during a cheerful Christmas gathering that we have had approximately 20 dry days throughout Crudwell during the whole of 2012. Not anywhere near enough and it certainly took the joy out of my mulled wine and mince pies!

It's been an incredibly trying 12 months and I would like to thank everyone for their patience with mud on the road, late night 'goings on' and the usual farmer antics

that no doubt rattle a few, especially those new to the 'Country Way of Life'. But surely this must be an improvement from overcrowded trains, delayed journeys, the daily commute in wet weather etc...

It leads me to question why do we all go on about the weather so much? Simple really, it's our one binding glue, our one linking factor as without the elements and seasons us farmers wouldn't be here doing our jobs and in turn without these seasons and put so bluntly by a young farmer when asked what he does for work...

He answered with a little grin "feed the world."

It's a sorry state of affairs out there in the agricultural world, with fluctuating prices for both consumer and farmer, unknown futures, struggling to plant winter crops, struggling to plant spring crops and not to mention our poor animals knee deep in mud!

You may think we farmers do nothing but moan however there are a few rays of light amongst those dark rain clouds, our desks are green(or brown), our colleagues are either four legged or have feathers, they do not take fag breaks and moan about employment terms. We have a different day every day, at times we see the sun rise and the sun set, we plant, we grow, we harvest and as that young farmer said after a year our aim is to Feed the world. We will keep reminding ourselves of this as we look out of our kitchen window at those bare and balding fields.

This leads onto one final question. Is it too late to plant rice....?

Wishing all in the CPN catchment area a hopefully dryer 2013 than we've had so far,

Jonathan Capper, Chedglow

CRUDWELL CHURCH NEWS COFFEE 'N' CHAT

With the arrival of Spring (which officially begins on 20th March-the Vernal Equinox) the Coffee 'n' Chat friends are looking forward to meeting at Clover Cottage, Tetbury Lane, the home of Eve and Jeremy White on Tuesday, 12th March from 10.30am-12noon. All are welcome to come along, just to say hallo, buy raffle tickets, have a look at our sales table (and buy) and of course, drink tea and coffee. So, put the date in your diary and join us there. At the time of writing this,

CRUDWELL LADIES LUNCHEON CLUB

Our February meeting was not as the programme, Philip Allwood gave us a very entertaining talk about antiques (no, not the members) and his TV appearances. Ladies, we will truly enjoy the flora and fauna of Kenya on **Monday, 18th** March as we welcome back Graeme Dougan. This time he is showing his wonderful photos of Kenya. By then, all the lovely English Spring flowers should be about to burst forth, so we can all enjoy the best of both continents. With Spring coming, it gives the ladies a chance to either dust down their wardrobes or rush out and buy new outfits. But whatever happens, it will be fun and noisy to get together on 18th March. If you would like to come along as a guest, please give either **PAT MANNING-577647** or **MARGARET ENGLISH-577572** a call and (providing there is room), we will be delighted to see you. We meet every third Monday (except August) at the **Mayfield House Hotel at 11.30am**, and sit down to an excellent lunch at around 12.15pm, with Frank, Lyn and his very lovely young staff keen and eager to look after us all without a word of complaint from any of them (well not ones that reach our ears).

The Malmesbury Local Supporters' Group of the Wiltshire Wildlife Trust

Will meet in Charlton Village Hall for the Winter programme of talks. There is ample parking space. All meetings start at 7:30pm. and refreshments are available. Admission costs £2.50 with children under 16 free.

On Thursday 7th March the subject will be
"Birding in Brazil" by Alan Jordan.

On Thursday 4th April Steve Covey will talk about
"Dragonflies and Damselflies".

In most school holidays, special events for children are laid on at Lower Moor Farm Nature Reserve, Oaksey. For details of all events, log on to www.wiltshirewildlife.org. Kathleen Gifford.

PEOPLE PHOTOGRAPHER

1st Crudwell Rainbows

We meet every Wednesday at Crudwell Village Hall from 4-5pm. We have all been very busy lately with some of our number moving up to brownies and some new girls starting our unit.

This term we have lots of exciting plans to make and do, including an Easter themed session and the new girls promise party.

Superfast Broadband for Wiltshire from 2016

On 30 January 2013 Wiltshire Council in partnership with South Gloucester Council awarded the contract to British Telecom (BT) to provide superfast broadband. Over the next three years BT will ensure that 91% of all premises are able to access superfast broadband and that all premises are able to access a standard broadband service by March 2016.

At present not all areas within Wiltshire have access to broadband with some areas experiencing slow speeds and poor service, with resultants in many residents and businesses across the county struggle to take full advantage of the internet and online services.

The present services are seen as a major obstacle to economic growth and investment, restriction to individuals and families in accessing online services, including, educational activities, communication, entertainment, shopping and paying bills.

Wiltshire Online superfast broadband aims are two fold.

A minimum of 85% with an expected 91% or more of premises being able to access superfast broadband i.e. over 24Mbps.

All premises to have access to a minimum broadband service of 2Mbps.

For more information about the implications of speed difference between 24Mbps and less than 2Mps please see the FAQ webpage on Wiltshire Online.

CRIME UPDATE From P.C. Steve Harvey

Since January there has been relatively little crime in our Parishes. I thank all who have been calling in or e-mailing the Neighbourhood teams with information.. There was a shed break in Oaksey near Bendy Bow. High quality gardening equipment, strimmers, chainsaw, and hedge cutters were stolen. If anyone becomes aware of similar items being offered for sale we would like to know.

Vehicle theft from farms remains a concern throughout the County. Notably older land rovers and quad bikes/ATV's. Four people from Hampshire have been arrested in the Thames valley area, with stolen vehicles from Wiltshire. Three people from London were arrested in Wiltshire with a stolen 4x4 from Gloucestershire.

We have two Crime Prevention Officers who provide free security advice should you so wish. The North Wilts officer is-Robert Walton, 01793507866, or email: robert.walton@wiltshire.pnn.police.uk

I am currently dealing with a large fly tipping & criminal damage crime at Waterhay car park near Ashton Keynes. Some mindless people have dumped a caravan full of rubbish in this beauty spot. We wish to hear from anyone having any information on this incident please. As an example of continued speeding in the area, I have recently dealt with a very serious single vehicle collision on the A429 near Kemble crossroads. The driver is still critical in hospital. For those that run pre schools / schools and other groups, we eager to speak to your groups on all aspects related to Policing. So please make contact.

I know a lot of you will have missed PCSO Sam WALSH lately. Unfortunately Sam has been ill and I am sure you would join me in wishing her a speedy recovery.

If you have any issues/ information or just want to say hello then you can catch me at the following times/dates/locations. Friday 1st March 8.30am - Eastcourt crossroads, Sunday 3rd March 4.00pm
Crudwell village hall car park Sunday 31st March 5.00pm - The Grove, Chelworth.

Kind regards Steve.

Vacant Allotment: Plot is available from March 2013. If you are interested in taking this plot please Apply to Crudwell Parish Council Clerk; Marianne Magennis , BT: 01666 575280 or e-mail Zen230746@zen.co.uk for terms and conditions.

CRUDWELL LADIES FLOWER CLUB

“This month we rekindle the flame – the Olympic flame. Where would the Games have been without the many Games Makers (volunteers) who did so much to oil the wheels and act as Ambassadors for London and the UK? Sallie Dearnley was one of them and we will vicariously share her experiences when she comes along to talk to us on Wed 13th March, 7.45 for 8, Crudwell Village Hall. Visitors always welcome.

In April we get creative. Crudwellian, Sue Sutton, is an expert in textiles and their artistic uses and we

look forward to her talk, “My studies in textiles and beyond” on Wed 10th April, 7.45 for 8.00 in the Village Hall. We seem to have no end of local talent in our small village.

Last month we forgot the rain and cold and enjoyed a convivial dinner at the Mayfield. Good food, relaxing wine and friendly company all made for a lovely evening. Just what the doctor ordered in gloomy February. More information available from Sue on 01666-577125

We do things a little differently

Most Architectural practices aim for the large, glamorous projects, we however, specialise in bringing considered design to domestic houses, extensions and refurbishments.

Equally unusual - everything we design is in 3D on our computer systems, so that you can see exactly how your project will look, as with the computer images shown here.

We offer a comprehensive, professional service covering - Design, Planning, Building Regulations, and if you wish - Full Construction.

Do you realise that on your doorstep there is a David amongst Goliaths in the football world!

Forest Green play at the New Lawn in the hamlet of Forest Green, a short distance away from Nailsworth. The Club was founded in 1890, as **Nailsworth & Forest Green** by the local Non Conformist Church minister. The club would go on to become founder members of the Mid Gloucestershire League in 1894 and it remained little more than a field until the club's continued progress demanded a series of upgrades from the 1950s. This included terraces, famously partial levelling of the pitch, the East Stand (formerly western Thermal Stand) and new Barnfield Terrace sponsored by Sustainability in Sport Foundation (formerly Rockwool), the latter two being moved to the new facility in 2006 at the New Lawn.

Since 1894 the team has progressed through the lower leagues to finally enjoy promotion in 1998 to the Conference National, now called the Blue Square Bet Premier Conference league.

Rovers 12 year stay in the Conference Premier ended on the 24th of April 2010 when they lost 2–1 to Grays Athletic and were relegated from the Conference Premier. However, on 10 June, they were reprieved after Salisbury City were removed from the division for breaking financial rules. During the season Forest Green chairman, revealed the club was in serious debt and he described the clubs position as a "crisis".

Green energy entrepreneur and Ecotricity owner Dale Vince launched a takeover of the club in August 2010 and Vince became the club's majority shareholder and then chairman a few months later. Forest Green made national headlines in February 2011 when Vince introduced a ban on all red meat being sold at the club. It now houses a wonderful vegetarian facility which has courted much publicity both locally and nationally.

Flying the green flag: Dale Vince, the club's owner, is building football's most eco-friendly club

At the end of Vince's first season in charge of the club Rovers secured another season of Conference football for the 2011–12 season. The following 2011–12 season saw large scale improvements on the pitch and Forest Green finished 10th securing a fifteenth consecutive season of Conference football.

In June 2011 the club began work on making the pitch at the ground the first organic football pitch in the world. In December 2011 the club then began work on installing 180 solar panels to the roof of the EESI stand, helping the club generate 10% of the electricity needed to run the stadium. In April 2012, Forest Green introduced the first robot lawn mower to be used by a British football club on to its playing surface. This followed a previous robot mower that had been in service at the club's former ground. The Etesia robot mower – known as a 'mow bot' – uses GPS technology to automatically guide it round the pitch without the need for human intervention and gathers power from the solar panels already at the stadium.

In December 2012, the club beat 200 other nominees to first prize in the Institute of Groundsmanship awards in the sustainability and environmental category for its organic pitch and the environmental aspects at The New Lawn.

The opportunities for Forest Green now does not stop there as promotion is within their sights to take them into League Two of the Football League which is quite feat for a very small village club. This is possible as they are at present lying 3rd in the table.

Perhaps you can take a moment or two to follow their progress or even get yourself down to the New Lawn to see one of their matches...you won't be disappointed.

Crudwell Village Hall

Positive and negative news this month:

First the good news: many congratulations to Vicki and Rich on the safe arrival of Chloe and Isabel on 31st January; we were all thrilled to hear the news and hope the whole family is managing to get some sleep! Obviously, it is now even more important for everyone to remember our new bookings phone number **07584 316866**.

Thanks to the hard work of the Bike Ride committee in continuing to raise substantial funds for the hall, we are starting to look at major improvements or changes to the current facility, such as:

- the toilets are in desperate need of refurbishment or possible relocation within the hall;
- extending the kitchen has long been on the agenda;
- what about a committee room completely separate from the main hall?
- is there room for improvement to the car park?

No decisions have been made yet and we would welcome other ideas and comments from the village, especially those who use the hall on a regular basis: please contact chair@cvhrg.org.uk.

On the negative side, because Gerda has resigned from the Parish Council, she felt it was also appropriate to resign from the village hall committee where she was the Representative member for the Parish Council. In the relatively short time that Gerda has been on the committee, she has contributed a great deal and we shall all miss her and her input.

Sadly, we are once again faced with the issue of dog faeces being left on the field at the village hall. This is a huge health & safety issue, when so many, children especially, play on the field, which is why it is our policy that no dogs (except official guide dogs) are allowed on the field at any time. Please could everyone respect this rule and help us to keep the facility "people friendly."

Don't forget our Wine & Cheese (including AGM)..

This is a voluntary scheme intended for use by any person whilst living at home. The scheme provides the Emergency Services with vital details of any illness or allergy you may suffer from, medication you may be taking and the name of a person to be contacted in the event of you suffering a sudden illness or Personal Accident.

HOW DOES THE SCHEME WORK

The plastic Bottle can be obtained from your General Practitioner's Surgery. This is free. In the bottle are two Green Cross stickers and an Emergency Information Sheet. Your details can then be stored within the clear plastic container, which is kept in your fridge. The two Green Cross stickers which are known to the Emergency Services and other Caring Agencies, are put up inside your house: one on the wall or panel INSIDE your front door and the other on the outside of

your fridge door. (You can call Age Concern Wiltshire on 01380 727767 if you need help to complete the form).

WHAT DO I HAVE TO DO

1. Complete a form for each member of the household who suffers from an illness or allergy and keep them in ONE container only. Your GP or Health Visitor can help you complete the forms accurately.
2. Place a repeat Prescription Form in the Bottle.
3. Place the Bottle in your fridge. Place one sticker in a prominent position on your fridge door. Do not let it become obscured by Fridge Magnets. Place the other sticker on the INSIDE wall door frame or wall panel, do not place it in a window or on outside of front door.
4. Keep information forms up to date as medication changes. New forms are available from your GP.

A Huge Thank You.....a testament to the good nature of Crudwellians.....Thank You Sir
I would like to say a huge thank you to the man who had found my debit card in the field and returned it to my house, I apologise for not being in at the time to know who it was that I need to thank directly. You saved me from a lot of hassle and panic and I will be forever grateful! Times like these remind me how lucky I am to live in such a friendly community! Hope everyone is enjoying the upcoming spring! Thank you again, Beth Credicott
