## Items of Interest

**Halloween** - we understand there is national initiative to display pumpkins in windows on Halloween and, as a socially distanced trick or treat substitute, for parents to provide their children with sweets for each pumpkin they see whilst walking round the village rather than knocking on doors and frightening occupants witless! Personally we'll miss meeting the children and young people and having a laugh with them.

**Post Office** - Sarah is extending the Post Office opening hours as we run up to Christmas. For four weeks starting on Monday the 30th November the Post Office will be open all day on Mondays from 09:00 hrs to 17:30 hrs (closed for lunch between 1pm and 2pm). Current hours will stand for Tuesdays and Wednesdays.

The copy date for items for sale in the next issue is: 17 November.

Best Wishes

## Crudwell Pre-School

We have been looking at favourite books each week and linked learning activities to these books. The children particularly liked the Tweenies story "Caterpillar surprise". They crept, crawled and rolled like caterpillars and jumped, swayed and fluttered like butterflies. They created beautiful butterfly masterpieces, enjoyed sensory activities such as caterpillar jelly and searched the garden for caterpillars and any bugs they could find (they found lot of Daddy long legs). We sang songs like wiggly woo and built towers to house caterpillars.

Next month we will be making Christmas cards which get sent away to be made into packs of cards. The children will make these by doing vegetable printing, we cannot wait to see the finished product.

If you are thinking about sending your child to Crudwell Pre-School we have some spaces remaining and would love to hear from you so please get in touch by either ringing or e mailing me on – 087986622191, [info@crudwellpreschool.co.uk](mailto:info@crudwellpreschool.co.uk)

## Bumper Macmillan Coffee Morning

It proved to be a big challenge to arrange this fundraising event in Crudwell this year now that we are restricted to groups of 6. I rallied the super ladies of Crudwell and we managed to hold a total of 15 mini, socially distanced, outside, coffee mornings and cake sales.

On Friday 25th Sept, the wind blew but the sun shone and many residents of Crudwell enjoyed coffee, delicious home make cakes and a much needed chat with their neighbours.

Everybody seemed to enjoy this interlude and between us we raised a whopping £1,724.00 for Macmillan Cancer Support. A huge thank you to all the hosts, cake bakers and for you for donating so generously!

*Diana Hodgson*

*Editors' note: A big thank you is due to Diana and her team for organising this, and to everyone who attended the various events in the village and contributed so generously.*

## Crudwell Short Mat Bowls Club

### **Hoping to restart soon, awaiting the go ahead from ESMBA**

Crudwell SMBC is a friendly and successful club with teams playing in both local leagues and friendlies. We welcome both new and experienced bowlers. If you are new, just turn up with flat shoes - we have the woods and advice. We cater for both competitive and social players. Our social events include boules and skittles evenings held locally (with usually a meal included!).

Give bowls a go!! You might just enjoy the game and the company.

## Greetings from Reverend Tonya

The Churches in Braydon Brook Benefice been having their AGMs throughout September & October. Below is a summary of the report I gave which outlines what we have achieved this year (for the full report, look no further than the website: <http://www.braydonbrook.co.uk/> )

Planning took place in 2019 at Crudwell Church to introduce a new monthly Friends and Family Service. This was launched in January 2020. It has enabled families to come along. Refreshments are served, time is given for conversation and relationships are being formed. My thanks for all who help with this and for PCC members in agreeing to take a risk. At the moment, this service is being held via Zoom. Many of the Sunday services have been refreshed. There is a monthly Benefice Service which now includes all of the parishes.

Advent Peace and Lenten Peace was offered in Crudwell Church, offering a space for people to 'be' and to reflect during these penitential seasons.

Planning in 2019 began for a new informal 'Chit-Chat Group'. Meeting in a pub to discuss, very gently any faith matter of the groups choosing. The first meeting was held in February 2020 at the Horse and Groom Inn, Charlton.

Our schools come to church and church goes to school. Planning took place in 2019 to launch an after school club at Crudwell School. This was launched also in January 2020.

The Website has been revamped, posters advertising services and events, policies written, along with many risk assessments.

Towards the end of the year visioning work began. The main learning that came from this is the willingness for the parishes to work together for the greater good.

I am extremely grateful to all of the Church Wardens, for their hard work, their dedication and to all who work tirelessly to aid the smooth running of these churches.

These are just a few things which have happened since I arrived in March 2019. Covid has meant that some things are paused and others have needed to be restyled!

It is a joy being here and I thank you for the support Mark and I have been given.

I look forward to where the rest of 2020 and beyond will take us.

Blessings, *Revd Tonya*

In addition, the services on Zoom and YouTube will continue. Everyone is welcome to attend any of these services; as the pandemic situation is changing rapidly and sadly it may be necessary to cancel or amend services at short notice.

## New three-tier local COVID-19 restrictions explained

A three-tier system of local restrictions to curb the transmission of COVID-19 has been introduced in England. The new system will see different parts of the country placed under varying restrictions depending on their rates of infection. The restrictions in each tier are:

### Medium

- Follow the rule of six if meeting indoors or outdoors
- Pubs and restaurants to shut at 10pm

### High

- No household mixing indoors
- Rule of six will apply outdoors
- Pubs and restaurants to shut at 10pm

### Very High

- No household mixing indoors or outdoors in hospitality venues or private gardens
- Rule of six applies in outdoor public spaces like parks
- Pubs and bars not serving meals will be closed
- Guidance against travelling in and out of the area
- Further measures which may be agreed locally

## What tier is Wiltshire in?

Wiltshire is currently in the medium (lowest) tier of the COVID-19 alert levels. This means current restrictions will stay the same. Please help to keep the rate of transmission low by continuing to:

- Follow the Hands, Face, Space guidance: wash your hands often and thoroughly, wear a face mask in enclosed spaces and keep two metres apart or one metre+ with a face covering or other protection
- Follow the rule of six if meeting indoors or outdoors
- Self isolate if:
  - you develop symptoms
  - you have tested positive for COVID-19
  - someone in your support bubble has symptoms or tested positive

- you're told to self-isolate by NHS Test and Trace or the NHS COVID-19 app. It is now a legal requirement to do so
- you arrive in the UK from a country with a high COVID-19 risk

### Message from Philip Whitehead, Leader of Wiltshire Council

"This is clearly still a difficult time for the country and we hope this new system will help slow the spread of COVID-19. Wiltshire's alert level is 'medium' which means the current restrictions remain in place and we need people to continue to be vigilant. Our top priority remains the same – to continue to support Wiltshire residents and businesses through this pandemic so that the county emerges as strong as possible when we reach the other side. We have focussed our resources and way of working to give us the best possible opportunity of achieving this.

Although local COVID-19 cases are rising, the spread of the virus locally is still comparatively low in Wiltshire, but we all must play our part and not be complacent as we've seen in other areas how quickly the situation can change for the worse. That means keeping washing hands, wearing face coverings where required and socially distancing. People must also self-isolate when told to so, and this is now a legal requirement. If we keep doing this and supporting one another, then we stand the best possible chance of keeping each other safe."

### Wiltshire Libraries

New library opening times and contact details can be found on the Library locations and opening times page.

The schedule follows our recent public consultation on reopening some library services during the COVID-19 pandemic. More than 7,000 people took part, with many stating their desire for the council to prioritise reopening as many libraries as possible, with different services available depending on the conditions at each individual library.

All items borrowed before the libraries closed, that were due back from 9 March onwards, are still being renewed automatically, to the end of October at the earliest, so there is no rush to return items.

Further details can be found on the libraries news page - <https://www.wiltshire.gov.uk/libraries-news>.

### Download the NHS COVID-19 app

You can download the COVID-19 app now which supports contact tracing. Use the app to scan QR codes in shops and restaurants so the app can let you know if you come into direct contact with someone who later tests positive. All your data is held locally on your phone.

## Crudwell 24 Hour Bike Ride

As announced in last month's WOIC, we are hoping to run the above event on the weekend of 26/27th June 2021. A full and enthusiastic committee are working on various contingency plans to ensure that an event of some kind goes ahead safely, and within the confines of regulations in place at the time.

We are counting on the help of our many volunteers from previous years, and always welcome anyone willing to get involved. If you are unfamiliar with the event and would like to know more, please contact Damian on 575041 or Elizabeth on 577565.

## Crudwell Village Hall

The voluntary Trustees and management of the Village Hall are continuing to follow the government guidelines in respect of the pandemic restrictions and we are further guided by Community First (Wiltshire) that is a member of Action in Communities in Rural England (ACRE). Communications from ACRE et al concerning re-opening and future hires are reviewed regularly and in the light of the slow transition out of lockdown and the restrictions effecting indoor class activities, it has been decided that the Hall remains closed until September 2020.

Bookings for September and for the remainder of the year will be taken now subject to the guidelines ruling at the time. Future use of the hall will also be dependent on Hirers following a rigorous hygiene protocol that will be provided at the time of booking. Booking enquiries can be made to [bookings@cvhrg.org.uk](mailto:bookings@cvhrg.org.uk).

Thank you for your patience and understanding.

# Crudwell CofE Primary School

It has been a very busy and exciting first term back at Crudwell Church of England Primary School and we couldn't be prouder of the way that our pupils have returned to school. It has been a real joy to hear the teaching, discussion and laughter in all the classrooms again after such an unusual summer term. As I waited to welcome our community back to school on our first day back on the 2nd September, I had wondered how the children would be feeling. How could we support them, how would we adjust to a new way of working in bubbles, would everyone be ok? It was wonderful then, to see the children come in with beaming smiles, eager to see their friends and be back at school. Chestnut class even arrived in colourful, feathered headdresses to kick off their new Brazil topic!

The term has continued in the same vein. The children have adapted to life in 'bubbles' so well and are enjoying their new topics in class: 'Do you want to be friends?' in Maple, 'Rio de Vida' in Chestnut, 'Coastlines' in Willow, 'Off with her head!' (Tudors) in Oak and 'Hola Mexico!' in Beech. We have enjoyed Harvest festival at All Saints' and even had a drumming Samba band in school! Moving forwards, we are determined to not let the restrictions dampen our enthusiasm for teaching and learning. Christmas is always a special time in a primary school and we are looking forward to what next term will bring.

If you are interested in your child coming to Crudwell, we would be delighted to show you around. The school website ([www.crudwellprimary.co.uk](http://www.crudwellprimary.co.uk)) has lots of information and gives a good idea of what we think makes the school so special. We look forward to welcoming you to our school.

## NW Villages Flower Club

Sadly the Flower Club has been unable to meet in person since February, and made the decision over the summer that all future events planned for 2020 would have to be cancelled. The recent resurgence of the virus and increase in restrictions has reinforced this as the right decision. Nevertheless, behind the scenes work has continued on planning future events for 2021 and beyond, the committee has 'met', and several newsletters have been sent out to keep in touch with members. Our AGM was held in September via Zoom, with video demonstrations by one of our members afterwards, featuring non foam designs using seasonal flowers, berries and foliage.

We would like to actively re-start the Club from January 2021, since a full programme of events for next year has already been arranged, incorporating several originally planned for this year. However we are conscious that the recent tightening of restrictions may well prevent this happening so soon and could result in further cancellations of planned events. The good news however is that the club remains in a very strong position financially and continues to have an active committee, so we will weather this storm and as soon as external factors allow us to re-start, we will.

The programme planned for 2021 is very varied and includes a good mix of workshops, demonstrations, social events and visits. Meetings would normally take place at Crudwell Village Hall on the third Wednesday evening of the month, with visitors and potential new members welcome. We are a friendly and enthusiastic group with members from throughout the area and really look forward to welcoming both our current members and any guests as soon as we can.

In the meantime stay safe and well. If you'd like to get in touch we can be contacted by email – [nwflowerclub@gmail.com](mailto:nwflowerclub@gmail.com).

~~~~~

Flower Club meetings usually take place at Crudwell Village Hall, SN16 9HB, on the third Wednesday of the month, 7pm for 7.30pm. We are a friendly, thriving and enthusiastic group with members from throughout the area. Visitors and potential new members are guaranteed a warm welcome at our regular meetings, with refreshments provided at the end of the evening, so do come along if you're interested.

# Malmesbury and District U3A

Malmesbury & District U3A is keeping in touch with members with regular editions of the Lockdown News. Some groups are meeting virtually while others are beginning to meet in other ways within government guidelines.

Over the winter we plan to have 2 speakers a month via zoom. The November talks are as follows:

## **November 5th Slum School and Safari**

Janette and Jonathan Barstow will describe their visit to Kenya where they volunteered in a slum school for a week and also went on safari in the Masai Mara. Their talk will include information about how, with volunteer help and charitable donations, the children are fed and clothed and a new school has been built.

## **November 26th The History of the Village Blacksmith**

Hector Cole MBE is a highly experienced blacksmith with exceptional expertise in traditional smithing skills and the history of the craft. He specialises in the reconstruction of archaeological objects using the same materials and techniques as ancient smiths. Hector has established a worldwide reputation for the forging of high-quality historic arrowheads. He has carried out extensive research on arrowheads and is a leading authority on Saxon sword smith techniques. However much Hector loves the past and the joy of emulating traditional craftsmen, he also uses his knowledge and creativity to design artefacts that integrate modern technical skills and equipment.

**Malmesbury U3A** is now 5 years old and we look forward to being able to celebrate this milestone when life returns to normal. If you are retired or semi-retired do join us. We have more than 500 members and 40 different interest groups including book group, history, gardening, dancing, theatre trips, languages, walking etc. Check our website for an up-to-date list of groups and other information: [www.malmesburyu3a.org.uk](http://www.malmesburyu3a.org.uk).

## Tai Chi

Not much hope of us going back to Tai Chi any day soon, not a good thought is it but at least we are keeping safe and live in such a lovely area and are able to go out and about walking with comparative ease. As you can imagine the rules and regulations in using the village hall are pretty stringent, which is only fair. Faith's CD is still going on and it does feel great to see her on the screen.

If the circumstances change, naturally we will let you know straight away, in the meantime, good luck to you all and please keep safe and healthy.

In normal circumstances we meet at the MAYFIELD HOUSE HOTEL - EVERY THIRD MONDAY OF THE MONTH

Ladies, not much news, well as you can imagine, none of it very cheerful. I know from quite a few of you that the summer clothes are packed away and we have welcomed back our winter clothes, might have to add one or two pieces though, won't we, even though we aren't going out anywhere to dress up.

Good luck to you all and please keep safe and healthy.

Unfortunately due to the Coronavirus, Ladies Lunch Club will NOT be meeting for the foreseeable future but we will keep you informed by email and phone and will re-arrange the interesting speakers already booked for future dates.

## Crudwell Ladies

Margaret, Judy and I thought it would be great to have a monthly catch up on life and this will come out the week of our regular meetings. Because of the village hall being made ready and then left according to Covid rules (and there are lots of them to keep us safe) we will not be meeting in the hall until safety and Covid says 'yes'. So a quiz - kindly supplied by Judy - will be sent out with the email and answers given the next month - no prizes just the warm glow that you are brighter than you realised. Hopefully we will be able to meet up fortnightly at the Wheatsheaf in Crudwell for coffee and cake - that was really enjoyed before the dreaded Covid. It will be held from 10.30am in groups of 6 (if that is allowed) and if more ladies join us, then another table can be taken sufficiently far away. And another event to keep us healthy after the cake eating will be a Bimble, do you remember these, they were fun, helping each other over stiles and having the difference in horses explained to us and then going back to the Wheatsheaf again. Coffee mornings will start at 10.30am and the bimble will have us meeting at the main road end of Tetbury Lane at 10.00am. Dates will be published by email or phone as soon as they are fixed.

And now for the usual serious bit - unfortunately due to the Coronavirus, Crudwell Ladies will NOT be meeting for the foreseeable future but we will keep you informed by email and phone and will re-arrange the interesting speakers already booked for future dates.

(Crudwell Ladies usually meet every 2nd Wednesday of the month at 7.45pm for 8pm start, usually at Crudwell Village Hall, but outside trips are also arranged. Our membership is not restricted to ladies living in Crudwell. Visitors and potential new members are welcome, refreshments are included in the £3 fee, the members pay £15 annually (which is great value when you think of what we get) and there is plenty of parking space up at the village hall.)
