Happy New Year. Unfortunately, due to the lockdown and consequent restrictions, we have had to revert to on-line only publication on [my-Crudwell](#) of What's on for this month and the same will probably be true for March. We are unable to have our usual print run of 500 copies and, even if we were, we decided it was not reasonable or safe to ask the distribution team to deliver paper copies to households. However we recognise that not everyone has access to the internet and we can make paper copies available to those in that situation. Please let one of us, or your Street Leader, know if you are aware of someone who cannot access What's on on-line and we will arrange for a paper copy to be delivered.

It is very encouraging that we are still receiving plenty of contributions to What's on and it is clear that, despite lockdown, many of us are making the best of the situation, keeping activities going where possible and getting out for socially distanced exercise. There is no doubt there is still a long way to go before the vaccination programme has a real impact but we now have hope that the virus will be under control before the year is out.

Let us remember all the people who have died, those who are grieving and those who are alone, and be very grateful to all those in public service, the private sector and individuals who are working so hard to keep us safe and supported.

Best Wishes, David and Jules, d_m_mitcham@yahoo.co.uk, jules.burton@rocketmail.com

Greeting From Reverend Tonya

Hello Friends

I am writing this letter in mid-January. Its gloomy out and the news reports are similar. However, I met someone whilst out on a stroll earlier and they spoke with joy about having just had their first jab. It lifted my soul to hear their words and as we walked away from one another, the sun popped out and I felt for a brief moment warmth on my face!

It is easy to be gloomy at this time and it may be hard to look for those moments of joy, but you know they are there, all we have to do is look and see.

I was told this story the other day, you may have heard it as it was reported on the Today Programme on Radio 4. Each day a lady lights a candle, makes herself a large glass of gin and tonic, with ice and a slice (of course!) and sits before the candle, nursing her drink and giving thanks for the day that she has had. It's a rather beautiful image and one I am thinking about trying myself! Stopping for a few moments, resting and reflecting. Well you may not believe in God, but this to me sounds like prayer, a prayer of thanksgiving for all that we have.

Maybe this February you could do the same, with or without the G&T or candle. Just stopping for a moment and embracing all the good in our lives.

You may have heard that I have taken the decision to close our churches for the duration of lockdown. All of the services are now on-line and can be found on the website. It was not an easy decision, but the health and safety of all who attend is paramount. Should you wish to go into your local church for prayer or just to be, either ring me or contact one of the Church Wardens and we will gladly open it for you.

I send blessings to you all.

Stay safe.

Revd Tonya

Crudwell School

Happy New Year!

We are now operating within the third national lockdown. Although we are currently 'closed' we have up to 35 children in school each day. This is essential as many of our parents and community are working in roles that directly support the response to the Corona Virus pandemic. Our value this term is 'hope' and there are many signs that things will begin to get better; nationally, vaccinations have begun and from the 25th January, all primary school staff will also be able to self-administer tests to check they are ok to come into school. This will further safeguard our children and community and enable us to keep learning.

We are also continuing to provide education to our children at home through our remote learning plan. The response from the teachers and staff was incredible in our first lockdown and again this time, they have risen to the challenge. We have successfully learnt how to support our pupils' learning through Google Classroom, uploading resources and lesson plans daily for our children. Our pupils are also able to engage with each other through chat functions and Zoom 'live lessons' where they are able to speak to their class teacher and see their friends.

Feeling isolated and missing their friends is one of the biggest challenges of not being in school (or being in school with friends at home) and helping the pupils to have this regular contact and reach out to their friends is vitally important. This would not have been possible without the compassion and generosity of our local community who have supported our FOCs fundraising efforts over Christmas. The FOCs team did an incredible job of bringing our whole community together during this time and ensured that Christmas remained a special time during such a difficult period. There were quizzes, Santa dashes, competitions, auctions and events throughout December that gave us all hope and also enabled us to purchase 15 Chromebooks to support the pupils remote learning. We are very grateful for their efforts and the community for supporting the school.

We all hope that it will not be too long before we can all be together again. Until then, we will continue to provide the best education we can for our children, whilst keeping everyone safe.

Ben John, Head Teacher, Crudwell Church of England Primary School

Crudwell Parish Council

Parish Council Meetings

The Parish Council continues to hold virtual meetings the next of which is scheduled for Tuesday the 2nd February 2021 at 7:00pm. You are, if you wish able to join this meeting remotely via Zoom. The agenda and instructions on how to take part will be made available on the PC website at: <http://www.crudwell-pc.gov.uk/>. Should parishioners have specific issues they can contact the parish clerk at parish.clerk@crudwell-pc.gov.uk or the Chairman peter.gilchrist@crudwell-pc.gov.uk (phone 577615.)

The my-crudwell.org website supported by the Parish Council has links to the excellent Street Leaders support network and a my-Crudwell mailing list to keep you informed of developments and receive access to monthly WOIC online publications. You can join the my-Crudwell mailing list at: www.my-Crudwell.org.

The Community Street Leader volunteers of Crudwell, Chedglow and Chelworth continue to be extra vigilant in continuing to support our elderly and vulnerable as lockdown continues. If you are in need of help or support then please contact the organiser: Leon Horton at leon.horton@Heineken.co.uk who will inform your local street leader, please provide your address and phone number.

The Parish Council continues to monitor local Covid data and while the number of cases here and in Wiltshire is thankfully falling in line with the rest of the country death rates unfortunately continue to be extremely concerning. It is therefore very important to stay at home where possible and to follow Government guidance (see below). We are pleased to note that Covid Vaccinations have commenced at Malmesbury Primary Care Centre, please do not contact the Centre for a vaccination but see the advice below.

The current local Covid19 position can be found at: https://coronavirus.data.gov.uk/search?postcode=SN16+9ET&fbclid=IwAR3dz_sP3dD6u87NDTiRq4HJ5GNa-3qHuMTXK2rX0h_eesSdrq0KtGB6vfl.

News from Wiltshire Council (As at 27th January, any updates are posted on the my-Crudwell mailing list and website daily).

England is in a national lockdown

England entered a national lockdown on Tuesday 5 January. This means you must stay at home and only go out if it is essential. View more detailed government guidance including essential reasons to leave the home and meeting others at [GOV.UK - national lockdown](https://www.gov.uk/guidance/national-lockdown).

Book a test if you have symptoms

If you have Coronavirus symptoms, you need to get tested as soon as possible:

- a high temperature
- a new, continuous cough
- a loss of, or change to, your sense of smell or taste.

If you are getting a test because you have symptoms, you and anyone you live with must stay at home (self-isolate) until you get your result. Anyone in your support bubble must also self-isolate until you get your result.

For more information on symptoms and how to book a test visit: [NHS: Coronavirus \(COVID-19\)](https://www.nhs.uk/coronavirus).

Asymptomatic testing

The government has announced the rollout of asymptomatic testing (using lateral flow tests) in the community and for businesses, to enable us to target testing to people who cannot work from home during lockdown.

Once we (WCC) have it, we will promote it widely on our website, through our social media channels, and in the local media, so please do not contact us about this at present.

It's important to note that this type of testing is not something that can be used in isolation, but if used properly with other measures it can be a useful tool at our disposal to help break transmission.

Support for those identified as Clinically Extremely Vulnerable

If you've been identified as Clinically Extremely Vulnerable as part of the new national lockdown measures, there is a range of support available to help you through this difficult time.

- **Shielding:** If you have been identified as clinically extremely vulnerable you are required to shield. You will soon receive a letter from the Government with more information and guidance on this.
- **Need local support?** If you don't have a support network around you please don't hesitate to contact our Wiltshire Wellbeing Hub on 0300 003 4576 or email wellbeinghub@wiltshire.gov.uk. It's open Monday to Friday from 9am to 5pm and Saturdays from 10am to 4pm.
- **Wiltshire Community Groups :** more than 300 community groups have been set-up across the county throughout the pandemic, ready to provide support to anyone who needs it. Take a look at our directory to find the groups local to Community Groups Directory
- **Test and trace support payment:** If you are on a lower income and are required to self-isolate because of COVID-19, you may be eligible for a support payment COVID-19 Test and Trace payment support scheme
- **NHS Volunteer Responders:** this programme can provide support such as picking up your shopping, and they also have a 'check in and chat' function if you feel isolated and need to speak to a friendly voice NHS Volunteer Responders
- **Mental health support:** this is a difficult time for many, if you feel you need some mental health support there is plenty of advice, guidance and contacts Wiltshire Council mental health support page
- **Get vitamin D supplements:** use this NHS service to get free daily vitamin D supplements NHS vitamin D service.

Tai Chi

Hope you are all keeping safe and well. Faith sends her love and best wishes to you all and can't wait to be back in the village hall. According to our newspaper we should all be trying to stand on one leg for a minute and then change over, it is important to get both sides of our brain working and also improves our balance as we 'mature'. We used to do this at our Tai Chi sessions and I had forgotten, didn't find it so easy after all this time but definitely going to keep trying.

As soon as the circumstances change, naturally we will let you know straight away, in the meantime, the Spring weather will be coming soon, days are already getting a bit longer.

Carmel Straughan on 577502 and Margaret English on 577572.

Another year in the life of the Village Hall

Sadly, the Hall is closed to all but Pre-school until the Covid gods decide otherwise, but we are still busy planning for the ongoing life cycle of the Hall. There's a lot to do.

First we, and I am sure I say this on behalf of our community, have two highly valued Trustees that left us last year and one equally valued that will leave in April.

Annie Smith retired last year after serving the community as a village hall volunteer and trustee for 20 years, having occupied several different functions including chairman and treasurer during her time. Her selfless commitment and experience will be missed.

Nigel Kelly has resigned as a trustee and will fully retire from the Caretaker's role during 2021 after more than 14 years of service. He too has put the needs of the community ahead of his own and has provided a critical role in keeping the hall running. Lucky for us he is still actively taking care of the Hall for the time being and his wife Gill is still cleaning!

Bob Perry, our committee secretary and trustee will resign in April because he is due to move out of the area. We will miss his razor-sharp diligence in looking after the administration and regulatory issues – including Covid, supported by his wife Linda.

As many will know, the Hall was built in the early 1990's for the enjoyment of the residents of Crudwell. It was founded and has always been managed by independent volunteers who have given years of selfless dedication to making sure it is there for future generations to enjoy. Not forgetting our many generous benefactors who have made important donations over the years, it was the fund raising by the volunteers at the time and the Crudwell Le Mans Bike Ride that were the initial driving force that helped put every stone of the building in place to give us what we have today. It is largely thanks to the Bike Ride team and their annual fund raising that has proved critical to the hall's operation and capital investment, for example the newly fitted toilet facilities. We hope Le Mans returns in June this year.

However, having lost three volunteers, it leaves us with a huge hole in manpower and we need to fill it! If you are interested in helping us – even for a couple of hours a week, then please get in touch.

The Hall is already an important focal point for the village and plans are being worked through to enhance it further and broaden opportunities to maximise the benefit of this important asset. More information will be made available in due course and fund raising will be front and centre!

If it's not too late for those tax returns, Crudwell Village Hall is a charity (no: 294177), and we would welcome any fully deductible cash donations that would otherwise be heading for HMRC! So please give it to the Village Hall instead of the Tax man! Thank you!

In the meantime, our website is currently undergoing a whole new refresh. Certain sections of the current site might have already incorporated one or two minor changes whilst the website is undergoing maintenance for this refresh and we look to have the new site live in mid-January. The new site will include more information about what is happening at the hall, items in the local community, and an easy booking system that will allow users to book and to pay on-line.

That's all folks!

Richard Fox, Chair

Crudwell Village Hall and Recreation Ground

Crudwell Village Hall is a UK registered Charity (No 294177) is managed by a committee of independent volunteers. Rental income from public hire covers the maintenance and running costs of the hall and the recreation grounds.

CRUDWELL MULTISPORTS FACILITY

- The courts were built in 2003 for the use of tennis, netball, basketball and 5/side football.
- There is no charge for the use of the courts but maintenance costs are funded entirely by donations, which can be made at The Wheatsheaf, Crudwell Post Office or online by bank transfer. A suggested donation could be £10/hour per court.
- If you play regularly, please consider joining our subscription scheme for just £5/month.
- Email anniebsmith@hotmail.co.uk for more information.
- Help keep the courts in good condition especially NO WHEELS ON THE COURTS!

Covid19 Restrictions: the courts should only be used in accordance with government rules and guidance in force at the time. Crudwell Recreation Action Group (CRAG) - part of the Crudwell Village Hall & Recreation Ground charity no.294177

Neighbourhood Plan 26 January 2021

Following the Independent Examiner's decision that the draft Crudwell Neighbourhood Plan plan 'meets the basic conditions' and subject to modifications, 'it should proceed to Referendum' we are pleased to report that amendments have been made and that the final Referendum version of the plan has been sent to Wiltshire Council for publication.

However because of the Covid pandemic Referendums cannot be held until at least May 2021. We will inform you as soon as we have confirmation of the Referendum date from Wiltshire Council.

In the meantime the Plan, having reached this stage has a great deal of strength in that it can protect us from speculative developers who may launch planning applications as Wiltshire Council land supply is below the required five years.

The Community Liaison Group which includes Parish Councillors and Steering Group members is expected to commence its work programme shortly. The group will work with the Land Agent and site promoter throughout the pre planning and planning application stages ensuring that the best blend of affordability, design and village amenity enhancements can be delivered by the scheme. The proposed arrangements for site drainage and sewage will form part of the group's work.

We believe that it will be very much in Crudwell parishioners' best interest to support the Neighbourhood Plan when it comes to the Referendum as it will help to ensure that we can control development at a pace, affordability, housing mix and design which is acceptable. If the Plan is not supported then there could again be significant risk to us of large unwanted developments being approved or imposed. These would not necessarily preclude future development at Tuners Lane.

Cllr. Roy F Lambley Secretary, Crudwell Neighbourhood Plan Steering Group

North Wiltshire Villages Flower Club

The Flower Club very much look forward to resuming activities later this year all being well, and to welcoming back members, friends and hopefully a few new members when conditions allow. Unfortunately it's now clear that by the time we do this it will have been well over a year since we last got together in person at a regular meeting. In the meantime we have tried to keep in touch through newsletters, technology and an occasional competition.

A full programme of events for 2021 has been arranged, which we will resume once restrictions are eased. We are also actively making plans for several special events during our Golden Jubilee year in 2022.

Our programme is always very varied and includes a good mix of workshops, demonstrations, social events and visits, all incorporating flowers in some shape or form. Meetings would normally take place at Crudwell Village Hall on the third Wednesday evening of the month, with visitors and potential new members welcome. We are a friendly and enthusiastic group with members from throughout the area.

If you'd like to get in touch we can be contacted by email – nwvflowerclub@gmail.com and more information can also be found on our Facebook page.

We wish you all the best during these challenging times, and hope you stay safe and well.

News from The North Wiltshire Friends of Dorothy House

Thank you so much for everyone's support at our produce sale on 12th December. We were delighted to raise £650.00 on the day and then, after adding the sales of other Christmas goodies we are so pleased that the total raised for Dorothy House is £915.00 which includes a couple of very generous donations. This is an amazing total, and we know that Dorothy House will be so grateful at this difficult time.

We hope that we can continue to support the Hospice in the weeks ahead and very much hope that we can hold another produce sale on:

SATURDAY 20TH MARCH FROM 9.00 TO 12.30 IN THE MARKET CROSS

In addition, we can now offer homemade marmalade which can be collected or delivered locally. At present, there are three varieties on offer, all at £3.00 per jar:

Seville Orange or Seville Orange with Ginger

Three Fruit Marmalade (Orange, Lemon and Grapefruit)

Other varieties on request

As before we can make cakes and other meal on request – please ask.

Please contact Rebecca Whitworth on rebeccalwhitworth@yahoo.co.uk or 01666 824095 with your order.

Malmesbury and District U3A

So, another lock down! We all need all the support and companionship we can get. Look no further than Malmesbury u3a. If you are retired or semi retired and enjoy meeting people while learning something new then we have around 40 different interest groups to tempt you. Even though at the moment we cannot meet in person some groups meet online. What we do have for all 400 members to enjoy are two talks in February on Zoom:

11th February 2021 at 10.30 a.m. Graffiti Through the Ages by Michael Lewis

25th February 2021 at 10.30 a.m. Ritual and Belief during the time of Stonehenge by John Hammond

If you are not a member you can still join us. Contact the membership secretary, Elaine Sharpe 01666 823568, become a member and enjoy the general talks. Then explore all the opportunities and get involved as soon as the present Covid restrictions allow. In normal times u3a meets on the 4th Thursday of the month at Malmesbury town hall from 10 - 11.45 for tea/coffee a chat and to listen to a monthly speaker. The interest groups are wide ranging such as learning a language, arts and crafts, science, music appreciation, dancing, walking, cycling, theatre visits, book groups, play readings and many more. You can find more information on our website www.malmesburyu3a.org.uk.

Crudwell Ladies

Last month I wrote that we might be meeting up in Spring/summer, that was very optimistic, wasn't it? At least we will have our monthly meetings, bimbles and coffee & cake mornings to look forward to, what a great thought. How are you getting on with Judy's quizzes, the last one with dates and years wasn't very easy or was that just me. By now some of you will have had your vaccinations, we both have and the whole thing was excellently run, they had 780 vaccinations booked in at Cirencester hospital, everybody was really pleasant apart from the fact that all the doctors and nurses looked about 13, but no rude comments please.

But we will keep you informed of any plans just as soon as Crudwell Ladies can meet up every 2nd Wednesday of the month at 7.45pm for 8pm start, generally at Crudwell Village Hall but outside trips are also arranged. Our membership is not restricted to ladies living in Crudwell. Visitors and potential new members are welcome, refreshments are included in the £3 fee, the members pay £15 annually {which is great value when you think of what we get} and there is plenty of parking space up at the village hall.)

Please contact any of the people listed below for more details.

Ladies Luncheon Club

Thank you to all the lovely ladies who are keeping us entertained with their jokes and kind thoughts, it keeps us all connected, doesn't it. Our best wishes go to those ladies who are having operations or waiting news about their health, please let us know how it all goes as we are thinking about you.

When Mr E and I had our vaccinations last week it was in Cirencester Hospital, I wore my rings and proper going out shoes with heels, it was a real treat. We even had a take-away tea and hot chocolate from that French van just outside the Church where they have messed up the one-way system and pavements, fascinating to watch strangers trying to work out which way to drive or walk. Strange what entertains us in these peculiar times, so how about me sending a Quiz out to you each month or even weekly, to get our little grey cells going. No prizes and it certainly won't exclude cheating because none of us will know, will we, except if one clever person gets all the questions right, then it might look a bit dodgy.

In the meantime, keep smiling and happy.

Unfortunately due to the Coronavirus, Ladies Lunch Club will NOT be meeting for the foreseeable future but we will keep you informed by email and phone and will re-arrange the interesting speakers already booked for future dates.
