Items of Interest

Happy New Year to all our readers. Who knows what 2021 will bring? There can be optimism for the medium term because of the vaccine development and delivery successes but no doubt that will be, at least partially, offset by the disruption of Brexit no matter what the outcome of the trade talks with the European Union.

You can be assured that What's on will continue no matter how 2021 unfolds.

A big thank you is due to the team of people led by Charlotte Bullock who deliver What's on to your door no matter what the weather throws at them.

The copy date for items for sale in the next issue is: 19 January.

Best Wishes

Crudwell Pre-School

Happy New Year and a big welcome to 2021 from us all at Crudwell Pre-School.

We hope you have had a fun and festive Christmas and are looking forward to 2021 as much as we are!

This month onwards we are including yoga as part of our weekly routine. This class has so many benefits for the children and supports many areas of their learning such as listening and attention skills, recalling information, balance and most importantly it is fun and is good for emotional wellbeing. We are extremely lucky to have a member of staff who is a qualified children's yoga instructor so we remain with having the 5 same adults with the children all week.

If you are thinking about sending your child to Crudwell Pre-School we have spaces remaining and would love to hear from you so please get in touch by either ringing or e mailing me on – 087986622191, or info@crudwellpreschool.co.uk

Crudwell School River Clearance

Thanks to Leon Horton, Tim Bullock Steve Baker and Chris Edwards from Crudwell School for the superb clearance in the riverbed outside the school. Their work will reduce the risk of flooding and is much appreciated, as is the river clearance regularly being done in the Glebe Field by Peter Williams and Gary Marshall of Lime Villas opposite the Mayfield.

In 2021 there will be a focus on river clearance down to the far end of the school field.

Greetings from Reverend Tonya

Another Christmas is over. I wonder how was it for you? Did you see family and friends maybe? Or were you like us, home alone, as family is just too far away to visit? However it was for you I hope there are some or lots of joy, lots of celebration and lots of much needed indulgencing after the year we have all had.

Another 'I wonder...'

Did you receive amazing presents from Father Christmas? Or have you already forgot what you were given?!

Sunday 3rd January sees the church celebrating the Epiphany. The time when the wise men visited the Christ child, bringing with them gifts of gold, frankincense and myrrh. Gold representing his kingliness, frankincense perfume or sometimes used as incense and myrrh, oil used for anointing the dead.

I wonder if these gifts caused Mary and Joseph to be perplexed? Though I guess the gold would have come in handy! Or did they accept them with grace? (I suspect nappies, baby food and clothing would have gone down better!)

Whatever you were give on Christmas Day, my guess is that love, care and thought went into each gift.

My prayer for 2021 and beyond is that it is far better and brighter than the one that has just ended. So here's to 2021.

Happy New Year

Reverend Tonya

Parish Council Meetings

The Parish Council continues to hold virtual meetings the next of which is scheduled for Tuesday the 5th January 2020 at 7:00pm. You are, if you wish able to join this meeting remotely via Zoom. The agenda and instructions on how to take part will be made available on the PC website at: <http://www.crudwell-pc.gov.uk/> Should parishioners have specific issues they can contact the parish clerk at parish.clerk@crudwell-pc.gov.uk or the Chairman peter.gilchriest@crudwell-pc.gov.uk (phone 577615.)

Neil Doel was co-opted as Parish Councillor at the meeting of the 2nd December 2020. Neil, who many will know as a local farmer in Crudwell was welcomed to the Council and completes the complement of Councillors.

The my-Crudwell.org website supported by the Parish Council has links to the excellent Street Leaders support network and a my-Crudwell mailing list to keep you informed of developments and receive access to monthly WOIC online publications. You can join the my-Crudwell mailing list at: www.my-Crudwell.org.

The Community Street Leader volunteers of Crudwell, Chedglow and Chelworth were extra vigilant as lockdown 2.0 started in November. Their fantastic efforts have been formally recognised by the Crudwell Parish Council for their support as this pandemic continues and they have in turn expressed their thanks to councillors for that acknowledgement.

It was noted at the last PC meeting that the Government coronavirus data for Malmesbury, Crudwell and Oaksey (140 cases per 100,000) compared unfavourably with Cirencester, wider Wiltshire, Swindon, Cotswold and Gloucestershire. The situation as at 17th December remains very concerning with cases at 128 per 100,000 which remains significantly higher than wider Wiltshire, (76), Swindon (115), Cirencester (92), Cotswold (60) and Gloucestershire (120). The current position can be found at: https://coronavirus.data.gov.uk/search?postcode=SN16+9ET&fbclid=IwAR3dz_sP3dD6u87NDTiRq4HJ5GNs-3qHuMTXK2rX0h_eesSdrq0KtGB6vfl.

News from Wiltshire Council (As at 17 December, any updates are posted on the my-Crudwell mailing list and website daily). See also <https://www.wiltshire.gov.uk/public-health-coronavirus>

NHS COVID-19 vaccination programme

A COVID-19 vaccine developed by Pfizer/BioNTech has now formally been approved by the Medicines and Healthcare products Regulatory Agency.

This week vaccinations started for people most at risk for coronavirus and the NHS will continue their programme of vaccinating priority groups against COVID-19 over the coming months.

The NHS will let you know when it's your turn to have the vaccine. It's important not to contact the NHS for a vaccination before then.

The COVID-19 vaccination programme is a huge logistical undertaking and the NHS has been working with partners including Wiltshire Council to plan the delivery of an effective roll out.

In the meantime it is important that everyone continues to adhere to all relevant COVID-19 guidance.

You can follow @NHSEngland on Twitter for the latest developments over the coming days.

Keep wearing face coverings

We're reminding people to play their part in protecting each other against spreading COVID-19 by wearing a face covering where required.

Face coverings are largely intended to protect others, not the wearer, against the spread of infection because they cover the nose and mouth, which are the main confirmed sources of

COVID-19. The majority of people are expected to wear them in certain circumstances but there are some exemptions. Those who are exempt are able to download and display a card if they wish to.

COVID-19 Test and Trace Support Payment scheme

We are urging eligible residents to apply for the Test and Trace Support Scheme, which is in place to help support those who are out of pocket because they are having to self-isolate.

Financial support continues to be available for people on low incomes who are required to self-isolate due to COVID-19 and will lose money because they are unable to work.

If you are required to self-isolate then it is important you do not delay submitting your form, as the council cannot accept applications made more than 14 days after the end of a person's self-isolation period.

Shop local

Shopping local helps support the local economy, creates jobs and boosts local communities. Whether you are buying a loaf of bread from a local family-run bakery to choosing a quirky gift from an independent shop, by shopping locally people can help local business owners and local communities get back up and running. With the festive season just around the corner, and restrictions still in place, how we shop and where we shop is more important than ever.

To support local retailers and small businesses during the COVID-19 crisis we have put together a Shop Local, Support Wiltshire Directory. Sorted by place, shoppers can find the businesses close to them, many offering the option to buy online or click and collect.

Remember - Shop Safe, Shop Local, Shop Online, Support Wiltshire.

Crudwell Ladies

Ladies who knows, perhaps we will be meeting up by late Spring/early Summer, won't that be good news. It makes 2021 look promising doesn't it? Our monthly meetings, bimbles and coffee and cake mornings will be on our calendars. All the clever people who have worked hard to get a vaccination for us get our hearty thanks so that we can get a social life back.

And now for the serious bit – unfortunately due to the Coronavirus, Crudwell Ladies will NOT be meeting for the foreseeable future but we will keep you informed by email and phone and will re-arrange the interesting speakers already booked for future dates.

Crudwell Ladies usually meet every 2nd Wednesday of the month at 7.45pm for 8pm start, generally at Crudwell Village Hall but outside trips are also arranged. Our membership is not restricted to ladies living in Crudwell. Visitors and potential new members are welcome, refreshments are included in the £3 fee, the members pay £15 annually {which is great value when you think of what we get} and there is plenty of parking space up at the village hall.)

Please contact any of the people listed below for more details.

Tai Chi

Hello All, hope you are all keeping well and staying as safe as possible. 2021 proves to be an interesting year, with vaccinations and Brexit, so hopefully Tai Chi will be up and running soon and we can clear our minds for an hour of gentle exercise which is so good for us.

But the news is the same as last month unfortunately, as you can imagine the rules and regulations in using the village hall are pretty stringent, which is only fair. Faith's CD is still going on and it does feel great to see her on the screen.

As soon as the circumstances change, naturally we will let you know straight away, in the meantime, good luck to you all and please keep safe and healthy.

Bookings for 2021 will be taken now subject to the government Coronavirus guidelines ruling at the time. The voluntary Trustees and management of the Village Hall will continue to follow the government guidelines in respect of the pandemic restrictions and we are further guided by Community First (Wiltshire) that is a member of Action in Communities in Rural England (ACRE). Communications from ACRE et al concerning re-opening and future hires are reviewed regularly.

Thank you for your patience and understanding.

Crudwell Village Hall and Recreation Ground

Crudwell Village Hall is a UK registered Charity (No 294177) is managed by a committee of independent volunteers. Rental income from public hire covers the maintenance and running costs of the hall and the recreation grounds.

Neighbourhood Plan - 17 December

The Planning Inspectors examination of the Crudwell Neighbourhood Plan is now complete and the final report is expected shortly. Following this the Plan can move to a Referendum in May 2021 and be “made” (formally adopted by Wiltshire Council as part the Wiltshire Development Plan and Core Strategy).

In the mean time the work plan leading up to and beyond the Referendum have been made and agreed by the Parish Council.

The Neighbourhood Plan therefore remains on track and within allocated budget.

NW Villages Flower Club

Although the Flower Club has been unable to meet for many months, behind the scenes the committee has actively continued planning future events. A full programme for 2021 has already been arranged, incorporating several events postponed from 2020, but given the recent increase in Covid cases, continuing restrictions on socialising, and the closure of venues, it is unlikely that events planned for early 2021 will go ahead. However, the vaccination rollout has provided hope that by late Spring or early Summer we may be able to get together again. We will continue to keep you updated through these articles.

Our programme is always very varied and includes a good mix of workshops, demonstrations, social events and visits, all incorporating flowers in some shape or form. Meetings would normally take place at Crudwell Village Hall on the third Wednesday evening of the month, with visitors and potential new members welcome. We are a friendly and enthusiastic group with members from throughout the area and really look forward to welcoming both our current members and any guests as soon as we can.

We wish all our members and friends a very Happy Christmas and all the best for the New Year. In the meantime stay safe and well. If you'd like to get in touch we can be contacted by email – nwvflowerclub@gmail.com

## Malmesbury and District U3A

Malmesbury & District U3A continues to keep in touch with members with regular editions of the Lockdown News and events on zoom including 2 monthly talks, an AGM and a Christmas party. Some interest groups are meeting virtually while others are beginning to meet in other ways as government guidelines allow.

Our January Zoom talks are as follows:

**January 7th - Brazil - Travels through unknown territory reveal the best kept exotic secrets.** Mandy Dobson

As the wife of a British diplomat, U3A member Mandy Dobson had an 8-year experience of working with national and international communities in Venezuela and Brazil. Her talk will touch on the background history, the architecture, culture and flora and fauna of the area, as well as providing an insight into Brasília, the federal capital of Brazil.

**January 28th - Oliver Cromwell and his effect on modern democracy.** Howard Robinson

Oliver Cromwell (Howard's nine times great grandfather) is a character who still engenders controversy about what he achieved during the Stuart era. However, Howard believes that Cromwell was, in fact, a great innovator in establishing Parliamentary democracy over and above the power of the monarch.

What we both really want to do is go to a live theatre and concert, just imagine the joy of that when it happens.
