## ***Crudwell Jubilee Vehicle Display Sunday 5th June***

On the final day of the Crudwell Jubilee celebrations there will be a Classic vehicle display day on the playing fields at Crudwell Village Hall. If you have a classic or just interesting car, motorcycle or other vehicle we would be delighted if you can bring it to the Village Hall/playing field on Sunday 5th June. There is no charge but you can if you wish make a donation to our Jubilee fundraising event which is running throughout the weekend to raise money for our Church, Village and for the Wiltshire Air Ambulance. The sponsored rally car which our local team drove to Barcelona to raise funds for the Wiltshire Air Ambulance will be on display together with hopefully many other vehicles. There will be refreshments and the draw for our grand Jubilee raffle at this event.

**If you would like to take part then do email:-**
