## **Advice in England has changed**

While you're no longer required by law to self-isolate if you have COVID-19, you should still stay at home and avoid contact with other people. This helps reduce the chance of passing COVID-19 on to others. This advice was updated on 18 April 2022.

## **When to stay at home**

You should stay at home and avoid contact with other people if you have any of the main symptoms of COVID-19; have tested positive for COVID-19 – this means you have the virus. If you have any of the main symptoms of COVID-19, you should also get a PCR test to check if you have COVID-19 on GOV.UK as soon as possible. There's further advice if you're eligible for new COVID-19 treatments.

## **How long to stay at home**

If you have COVID-19, you should stay at home while you're infectious to others. This can be for up to 10 days from when your symptoms start. Many people will no longer be infectious to others after 5 days. You can do a rapid lateral flow test from 5 days after your symptoms started (or the day you had the test if you do not have symptoms) and another the next day. If both tests are negative and you do not have a high temperature, you're less likely to pass COVID-19 to others and you can go back to your normal routine. If your test result is positive on day 5, you can carry on doing rapid lateral flow tests every day until you get 2 negative test results in a row.

# Crudwell Jubilee Celebrations

THE Queen's Jubilee weekend (2-5 June) is almost upon us and we are still looking for kind souls to lend a hand with the events planned for Crudwell. Please will everyone take a look at the programme outlined below to see if you can spare a few hours to help make the weekend in the village a joyous and enthusiastic celebration of Her Majesty's momentous 70-year reign. If you can't spare time for anything else, please do turn up for the village photograph.

## **Musical Evening in the parish church**

An evening of musical entertainment on Friday, 3 June at 7pm, featuring local musicians and singers. We already have some artists lined up, including the school choir, and we could do with a bit of help with the following:

- Setting up the church sound system
- Setting up the church beforehand and putting away at the end
- Your attendance on the evening, which is free and includes interval drinks but donations will be greatly appreciated.

## **Display of wedding dresses**

This will take place in the church throughout the weekend, provided of course, there are people who would like to put their dresses on display, together with their wedding photographs. We are looking for the following:

- People to display their own wedding dress and photograph
- The loan of mannequins or dressmakers' dummies for the weekend
- A display co-ordinator.

## **Street party on the village green**

This is planned for Saturday 4 June from 11am to 6pm on the village green by the school. There will be music, a marquee, a Prosecco bar, a cake stall, chairs and tables (similar in layout to the Strawberry Fayre which has been deferred until 2023 to accommodate the jubilee and other village events this year).

The idea is to bring a picnic for you and your family and enjoy the atmosphere and company of others from the village at a time to suit you. In the event of rain, a marquee will be in place. As with the Strawberry Fayre in the past, many willing hands are needed for the setting up of this event, including:

- Collecting, transporting and setting out of tables and chairs
- Providing and setting up a gazebo for the musicians stage
- Offers to bake cakes, biscuits etc for cake stall
- Returning tables and chairs to storage.

If your street is planning its own party, please let the parish council know.

# Crudwell Jubilee Celebrations

## **Classic car display and Village Photograph**

On Sunday 5 June a range of classic and other interesting cars and vehicles will be on display on the village playing fields from 10am. A number of individuals and clubs have been approached but you may know of others with interesting car or bikes who might like to take part. Please let us know if this is the case.

There will be a bar, food stalls and at the end of the event (approx. 4pm) there will be a village photograph. We are hoping for as many people from the village as possible to turn up for the photograph. As with the other events, some help is needed as follows:

- Putting up the marquee
- Providing and setting up a bar
- Providing pop-up food stalls
- Contacting vehicle owners who you know of
- Registration and arrangement of vehicles
- Turning up for the event and for the village photograph

## **Jubilee Raffle**

Leading up to and during the event tickets will be available for the Jubilee Raffle with some great prizes, including £200 in cash (courtesy of Alvan Blanch) and a Dyson appliance (courtesy of Dyson). The proceeds from this and the other jubilee events will be split between the village church, the school and Wiltshire Air Ambulance who will be attending our main events.

The draw will take place during the afternoon of Sunday 5 June after the car display and before the group photograph. Tickets will be on sale shortly from the Post Office and sellers throughout the village (if we can find some willing volunteers to sell them) and during all the above events.

Forms listing all the help needed for the Jubilee will shortly be available from the Post Office, village pubs and hotels, the school and on the parish council website ([crudwell-pc.gov.uk](http://crudwell-pc.gov.uk)).

To volunteer for any of the tasks listed above please either fill in one of the forms or email [roy.lambley@gmail.com](mailto:roy.lambley@gmail.com) or [parish.clerk@crudwell-pc.gov.uk](mailto:parish.clerk@crudwell-pc.gov.uk) We cannot make the occasion memorable without you!

*Cllr Roy Lambley, Vice Chairman, Crudwell Parish Council*

# Village Hall Survey

## Your Village Needs You – NOW!

We hope you have all had a lovely Easter and for a change the weather was beautiful!

The survey questionnaire deadline to reply has been extended to April 30 2022 (*don't worry if it's a few days past this because we will be analysing the responses for a few days!*) and we urge all residents of the parish to take part. So far, the overwhelming view – around 95%, is in favour of the project, and we thank those of you have that have made the effort to respond.

However, we need **MORE OF YOU** to join in. Any private or public grant committee will expect to see the residents have voiced a need and the number of participants to exceed 35% and for >80% of those to be in favour before they consider an application.

We are short of the 35% target, so whatever you think **please take the time to complete the questionnaire** - there is no age restriction to participation. You can complete it online and it takes less than a minute.

Go to [www.crudwellvillagehall.org/questionnaire](http://www.crudwellvillagehall.org/questionnaire) or you can mail it to us at Crudwell Village Hall, 2 Tetbury Lane, Crudwell SN16 9HB.

Crudwell Village Hall is a great venue for a variety of functions including children's parties, wedding receptions, meetings, presentations, as well as activities and clubs.

There is a large fully equipped kitchen, refitted and refurbished facilities, a large hall with a capacity of 150 to 200 people, meeting room, large playing field and a children's playground adjacent to an outdoor adult fitness area. The Hall has free Wi-Fi and drop-down projector screens with a PA system.

## The Joy of the Easter Season

WHEN the last of the chocolate eggs has been eaten and the children have gone back to school, it is easy enough to think that Easter is over. But it isn't, is it? As a season in the Church year, Easter lasts for almost six weeks – until we celebrate Jesus's Ascension. Just nine days after that we remember Pentecost, the Church's birthday, the coming of the Holy Spirit. So we are in fact nearing the middle of a seven week period of rejoicing. And there is much to celebrate: God is good. Through his death and Resurrection he has redeemed us all and set us free.

Maybe, though, even seven weeks are not enough. The Easter promise is with us always – we are Easter people living as we do in a sure and certain faith in the Resurrection. For the Resurrection of Jesus Christ is just the beginning. He has made the way for us, so we can follow him through death (when our time comes) to eternal life. Let us not forget that as we go about our everyday business, focusing on worldly things and mundane tasks. Let us keep remembering that first Easter as we live and pray and go about our earthly lives.

# A Message from the Archdeacon of Malmesbury

I AM very grateful to the Rev'd Tonya Nixon for her ministry as Rector of the Braydon Brook Group since 2019. Very soon after she arrived we were plunged into Covid, and Tonya has guided and pastored the benefice with great diligence, commitment and compassion. Her skills in creativity, community outreach and schools work have been greatly valued, and we wish her and Mark well in their new home in Portishead. As we approach the vacancy there are inevitably a mixture of feelings and, quite rightly, a wish for clarity. This update sets out the next steps.

The Vacancy Team of churchwardens (or equivalent for each parish) and licensed ministers have met with me. The Benefice Administrator, Alison Withers, will be the point of contact during the vacancy. Alison will arrange baptisms, weddings, funerals, the service rota and benefice administration, and requests for pastoral visits should also go to her at [bbbbandgb@gmail.com](mailto:bbbbandgb@gmail.com) or 01666 825019. Decisions will be made by the Vacancy Team, supported by the Area Dean, Rev'd Steve Wilkinson ([rector@woodbridgegroup.co.uk](mailto:rector@woodbridgegroup.co.uk) 01249 723733) and me.

The Bishop and I are committed to appointing a new Rector for Braydon Brook and we are aware that a vacancy makes significant demands on all our volunteers. So it is important that no vacancy lasts longer than it needs to. I will be liaising with the patrons.

When we advertise, potential applicants will be aware that the last two incumbents moved on within three years. We must be able to say, with confidence, that Braydon Brook is a place where the next Rector can thrive in their ministry. To do that, we need to be clear that we have considered prayerfully any issues there may be, and have clear steps to address them.

I am pleased that the Rev'd Douglas Holt has agreed to conduct a vacancy review. Douglas has great wisdom and insight, and will be able to help you reflect together on what has been, and look forward to what can be. His focus will be on meeting 1:1 with churchwardens, headteachers, licensed ministers, people with responsibility for different areas of benefice life, and representatives from each church.

He will want to know what has been good over the past few years and what strengths exist to build upon; also if there is anything that needs to change so that we can recruit a new Rector with confidence.

He will take several services during the vacancy, at which there will be an opportunity for anyone to meet him and talk, but he will not be acting as an interim Rector. Diocesan Support Services are here to help the benefice, so please keep in touch.

I look forward to our ongoing conversations and hopefully being able to join you in worship.

*With my prayers and best wishes,*

Christopher Bryan, Archdeacon of Malmesbury

# North Wiltshire Villages Flower Club

IT IS not long now until the Flower Club's Golden Anniversary celebration on Saturday 28 May. We look forward to welcoming Michael Bowyer MBE, President of The National Association of Flower Arrangement Societies (NAFAS), and national judge, demonstrator, teacher and speaker to this special event at Goss Croft Hall, Seagry. Michael will demonstrate 'Five Decades of Floral Art' during the morning, and then in the afternoon, tutor a workshop for current members.

We invite all former members of North Wiltshire Villages Flower Club to join us for the morning demonstration and the celebratory lunch. Last call for tickets! These are priced at £35, and include refreshments on arrival, a full morning of demonstrations, excellent lunch, glass of Prosecco, and cake.

Any members or former members wishing to book a ticket should email [nwvflowerclub@gmail.com](mailto:nwvflowerclub@gmail.com) or telephone Diana Hodgson (Treasurer) on 01666 577662 or 07817 242888 without delay, as we need to confirm final numbers very soon.

In March we held a very successful workshop tutored by Sally Taylor, in which attendees made floral buttonholes and corsages to enhance outfits for weddings or other special events; we look forward to having opportunities to utilise these skills for social functions this summer!

Our April event is a demonstration by Katherine Delve from Yatton entitled 'A Walk in the Woods'. Looking further forward, on 15 June, Sally Hardy will join us for a demonstration entitled 'This and Tat'.

We are a friendly and enthusiastic club with a varied programme of workshops, demonstrations, social events and visits, all incorporating flowers in some shape or form.

Meetings normally take place at Crudwell Village Hall on the third Wednesday evening of the month (visitors and potential new members very welcome).

*We can be contacted by email (as above), or for more information visit our website - <https://northwiltshirevillagesflowerclub.co.uk> or our Facebook page.*

## Crudwell Ladies

WE HAD a really interesting talk at Crudwell Ladies from Danielle Mills, a volunteer from Medical Detection Dogs. She also spoke at Ingleburn AGM last year on Zoom. She asked me to pass her details to anyone else who might be interested. She is based near Wantage and asked for donation of £50. As a charity, Medical Detection Dogs receives no government funding; without your donations the Charity would not exist.

Your support will help us continue our ground-breaking charitable work, which investigates the potential of dogs to assist in the early detection and diagnosis of cancer and other diseases, including Parkinson's, Pseudomonas Bacteria, Malaria and Covid-19. Our work also includes the training and placement of specialist Medical Assistance Dogs that alert their owners prior to a medical emergency, allowing them to lead a more normal life, with increased independence and confidence.

Her mail is [danielle.mills1948@gmail.com](mailto:danielle.mills1948@gmail.com) and the website is <https://www.medicaldetectiondogs.org.uk/> mailis [danielle.mills1948@gmail.com](mailto:danielle.mills1948@gmail.com)

AT our **May** lunch meeting on **16<sup>th</sup>** we are being entertained by **John Craig, retired Chief Fire Officer** who will show us the 'lighter' side of being a fireman. John's talk is called 'Going to Blazes' and he explains that fire brigades need to use black humour because of the sadness and trauma that they meet in the every day working lives.

On **Monday, 20 June** we will meet **Geoff Lewis** talking about the “**The Skies Above**”. Geoff is a qualified light plane pilot with many years experience.

We always love to welcome guests/friends and prospective members so if you would like to come along, just contact either of us (tel. numbers below) and hopefully there will be room on the list. Alfred Williams was born in South Marston, Wilts, in 1877. He wrote poetry and about the people and the area in which he lived, in publications such as *A Wiltshire Village*, and *Round About the Upper Thames*. When ill-health forced him to leave his job on the railway, Alfred began cycling around the Cotswolds and Upper Thames to compile an anthology of the songs of local people.

In this presentation, Martin Graebe will talk about Alfred Williams' life and work with particular reference to his folk songs. The talk will be illustrated with photographs and performances of some of the songs discovered by Williams.
