## Field Fire

We should all be most grateful to Jonathan Blanch, his Croeda workers and others who took swift action to prevent the field fire of 11<sup>th</sup> August from spreading to the village, which could have been catastrophic. A working group has been set up by the Council to ensure that lessons are learned and to review the Parish's Emergency Plan.

# Neighbourhood Plan Report

WE are pleased to report that we have now received confirmation that our application for Government Locality Grants to support work on our Neighbourhood Plan Review has been successful. This means that the Neighbourhood Plan Steering Group can begin work and our first task will be to appoint the specialist Planning Consultant needed to support the Steering Group in carrying out the Review.

The scope of the work for the review will include new policies in respect of

- Housing allocation of small infill and self-build sites following a call for sites.
- Green spaces including the greens and Glebe Fields
- Hedgerows and green corridors
- Business development including a community hub

There will be full community engagement and consultation throughout the process which may take up to two years to complete.

There has been no update from the Tuners Lane site promoters to our detailed comments on their draft plans due to the holiday period. When agreed plans are at a more advanced stage it is the intention of the CLG to consult with Crudwell residents in advance of the site promotor's consultation to provide an early opportunity for comment.

Watch this space!

*Cllr. Roy Lambley, Chair Crudwell Neighbourhood Plan Steering Group*

## Coffee and Chat

THE August coffee morning was very enjoyable despite the slightly reduced numbers attending. We all appreciated the cool interior of Crudwell Church in the hot, sunny weather! As Autumn approaches, we shall meet on the second Wednesday in the month, as usual, which will be 12 October 10.30am-noon. There will be a raffle, refreshments and a sales table, proceeds from which go to the maintenance of the Church building and the churchyard. All Crudwell residents and neighbours from further afield are most welcome.

*Please contact Rosemary Williams on 01666 575073 for further information.*

# Greetings from Crudwell Church

THIS is a sad time to be writing. The Queen has just passed away, and we are surrounded by the sense of her loss. For so long she has been a symbol of all that made us 'Great Britain' and Royalist or not, you would be hard pushed to find anyone who didn't at least respect her dedication to her role. King Charles is a man with very big shoes to fill.

But time moves on. We move forward into a world with a new King of England, and the dawning understanding that things will never be quite the same again. We didn't only lose a monarch, we also lost the head of the Church – a woman who had never been afraid to express her strong faith.

Our churches are going through similar change. Covid drove people out of our church buildings and into a world of zoom services and livestreams. The Victorian view of everyone being expected to attend church on a Sunday morning is long gone. Churches no longer have their own vicar, a choir, an organist... even our more recently passed congregations would be surprised at how church looks now. The weight of that past can be a burden – a guilty feeling of 'that's how things should be'. The feeling that we should be working towards the return of the church's Victorian status - of being a regimented part of people's lives - and that the only way to do that is to cling to whatever is left and try to resurrect that past from the pieces.

But the past be past, we are not beholden to it, or imprisoned by it. The church is not a museum. It's not sedentary or stagnant. It is a living, breathing community. In trying to protect 'the way we've always done it' or the way things used to be, in building a bubble around it so the things inside it don't change and are protected, we cut off its air supply, and suffocate it, making new life impossible. In time, we destroy the thing we've worked so hard to protect.

We must grow. We must meet people where they are in life, we must go to them, not expect them to find us, and above all when they do come to us we must show them all the love and compassion Jesus has lavished on us. No-one comes to know God through church. People come to know God because they find Him there in the people and the worship. The past continues to trickle through our fingers and no amount of wanting and hoping can bring it back. But we are in command of the future and we can embrace it, we can show all we meet that God's church is alive with His love, full of people forgiven by His grace, and free to grow in His power. *Rachel Swatton – Licensed Lay Minister*

# Volunteer Health and Wellbeing Champion

YOU may well have known Ellen Blacker from Dauntsey who was employed for many years by Wiltshire Council to fill the role of Volunteer Health and Well-being Champion 55+ and Carers for Malmesbury Community Area. Ellen started a well earned retirement last year and received the British Empire Medal for all her great local work over many years.

I have recently taken on a slightly different role on a voluntary basis in line with other similar roles across Wiltshire Council; my role will now be to represent the views of older people and carers at both a local and countywide level about their experiences of health and social care.

A little about me - I retired two years ago after forty years as a social worker in the community and in service management in mental health and adult social care services. Instead of going miles up and down the motorway, I would now like to use this experience in this new role to get to know the views and needs of people where I have lived for more than 35 years (in Corston) - and make sure these are shared.

I would like to meet up with people in Malmesbury and the surrounding Parishes, both individually and visiting the extraordinary number of different groups in our area. I hope to feed back some of this in the parish newsletters on a regular basis and include useful information from the excellent Wiltshire Money Forum as I attend their updates.

I would also like to introduce our new Malmesbury Area Public Living Room in Malmesbury Library every Tuesday from 1.30 to 4.30pm. We are affiliated to the Camerados network which calls them "comfortable places where people look out for each other". Our Community Area Public Living Room is in its second month and most weeks new visitors call in as well as people who come regularly.

You are welcome to contact me with any questions or concerns on my *mobile phone* 07596 062 705 or by email at [juliedhwc@gmail.com](mailto:juliedhwc@gmail.com)

## Tai Chi in Crudwell

OUR weekly Tuesday Tai Chi classes continued through the very hot weather but we are all much more comfortable with the routines in the seasonal Autumnal weather.

Our very enjoyable classes are held in Crudwell Village Hall at 11.30am each Tuesday for an hour. The exercises are done to a background of very gentle music which helps the class to participate more easily. Comfortable loose clothing and non-slip shoes are all that is required and of course, do bring a drink of water with you, although it is available at the hall.

It costs just £6 for an hour and each session is a stand-alone so you are not paying up front for a course. Just come along and join our friendly group.

For further information, please contact either: *Carmel Straughan on 577502 and Margaret English on 577572.*

## Crudwell Ladies

WE welcomed several visitors to our September meeting who had come to hear Paula Wren's talk entitled: "From Him to Her". Paula has had a very interesting life, which she described with great humour and affection.

Our next meeting is on Wednesday 12<sup>th</sup> October and will be an evening of poetry with Ros English. Those of you who know Ros will be aware that she is a prolific writer of poems, many of which she shares on Facebook. It seems that almost anything inspires her to write so we can expect to visit a wide variety of topics.

We meet every 2<sup>nd</sup> Wednesday of the month in Crudwell Village Hall, unless it is an 'away' meeting. We now meet at the village hall at **7pm for a 7.15pm start**, unless we have a trip planned. Membership is not restricted to ladies living in Crudwell and costs £15 pa (due now). Members are very welcome to bring along a guest at the small charge of £3. There are refreshments and a raffle, with the meeting finishing around 9.30pm.

Crudwell Ladies also meet in the Wheatsheaf every 4th Wednesday of each month for tea/coffee & cake from 10.30am through to noon, the next get-together is **Wednesday, 28<sup>th</sup> October** at 10.30am. These coffee morning are great fun, lots of laughter and are gaining popularity, so please come along, friends are also welcome. Please contact either *Judy Paginton – Treasurer on 01666 577370* or *Margaret English – (Newsletter Secretary) on [margaretenglish261@btinternet.com](mailto:margaretenglish261@btinternet.com) or 01666 577572*

## Malmesbury and District Link

### **VOLUNTEERS REQUIRED**

LINK is a charity that many of you may have heard of or used. It is run by local volunteers and offers transport to hospitals, doctors surgeries, dentists and other health related appointments for anyone living in the Malmesbury district.

We have a friendly team of drivers who are all DBS checked and use their own cars for transport. A mileage allowance is paid to cover their expenses which is funded by the donations made by our clients.

Due to the increase in medical appointments being made and lifts required, we are urgently looking for more volunteers to help drive our many clients on a flexible and ad hoc basis to suit you.

If you would like to get involved but don't want to drive, help is always appreciated to coordinate the service and answering the phone which is done from your home for approximately one morning per fortnight by arrangement.

So, if you need transport to an appointment or would like to find out more about flexible volunteering with LINK, please contact us on the telephone number or email address provided. **WE WOULD LOVE TO HEAR FROM YOU.**

# Ladies Lunch Club

OUR September meeting was a delight. We had a demonstration on how to look after 'mature' skin, which will be useful when we all reach maturity. But seriously, Clinta Hull was such a good role model for her products and she went into great depth about how to look after ourselves. She had a lot of interest in booking appointments with her, and I know that some have already been booked.

Our lunch on Monday, 17<sup>th</sup> October will be a talk by Lyn Hilditch about her ancestors and one particular lady. Her story is very pertinent in view of the Ukrainian situation and the families that are living in this country at the moment on a temporary basis. Her history really makes you wonder how you would cope in that situation.

We always love to welcome guests/friends and prospective members so if you would like to come along, just contact either of us (tel. numbers below) and hopefully there will be room on the list. But please let us know before the Saturday prior to the lunch if you are not able to come to the lunch or would like to bring a guest. This enables Dreena and I to contact Pettifers with the final total of ladies coming along. We meet at Pettifers just before noon, pay Dreena for the lunch, choose from the lovely menu and then sit down at 12.30ish. Pettifers gives us a very warm welcome and makes sure that everything runs smoothly for us. *Dreena Ratty (01666 860467) – Margaret English (01666 577572)*

Crudwell Village Hall is a great venue for a variety of functions including children's parties, wedding receptions, meetings, presentations, as well as activities and clubs.

The Hall has free Wi-Fi and drop-down projector screens with a PA system.
