# Crudwell Strawberry Fayre

11-12  
July

Plans are progressing well for the 2026 Strawberry Fayre on Saturday 11th and Sunday 12th July.

As always, we would really appreciate the support of the whole village to make this year's event a success.

Here are a few ways you can help:

- It would be great if gardeners could plant a few more annual flower and veg seeds than they need and donate the plants to our plant stall.
- Stalls are available for anyone in the village interested in selling their crafts or local products.
- We would be grateful for any donations of raffle prizes.
- Finally, we would love to hear from you if you would like to join our team to help make the 2026 Fayre a great one.

Watch out for more news next month.

Please contact me on [ajking23@live.co.uk](mailto:ajking23@live.co.uk).

Many thanks Angela King.

20- 21 June

Riders are now signing up for this year's event, which promises to be one of our most successful, if early team registrations are anything to go by! However, we still need volunteers to marshal, help on the board and generally contribute to the smooth running of the event, so please go to the website to find out more, especially if you are new to the village. This truly is a whole community event and for marshals, the sooner you sign up, the better your chances of getting a slot of your choice.

For more info go to [crudwellbikeride.co.uk](http://crudwellbikeride.co.uk) or contact Elizabeth on 07742 594322 or Damian on 01666 575041. We look forward to hearing from you.

## Crudwell Ladies Lunch Club

At our lunch on Monday, 16<sup>th</sup> March, it was unfortunate that our speaker was unable to come along due to ill health, but we look forward to hearing her talk on the Mitford Sisters once she is fully recovered. Our next lunch is on Monday, 20<sup>th</sup> April.

We arrive at the Rectory Hotel about 12 noon, allowing us plenty of time for a drink and chat before sitting down for an excellent 2-course lunch, which includes coffee or tea after the meal. All details are can be found on our WhatsApp group or contact Maureen Stephens on 07552 233293.

## Crudwell Ladies

Our thanks go to Tina for organising such an interesting talk at our March meeting on recycling and it was great to welcome some visitors to this event.

Not many of us knew that recycling in Wiltshire is run by the Hills Group and just how much is collected. Apparently, Wiltshire is one of the 'good guys' for recycling! We also learnt how dangerous vapes and spare batteries can be if discarded in with our regular recycling, so please, no vapes or old batteries in the bin. They should be left in clear plastic bags on the top of your bin.

On **Wednesday 8<sup>th</sup> April**, we are having an outing to **Tetbury to visit the Police Museum**, and of course this outing will include tea and cakes afterwards. Please contact Judy if you would like to come along as lifts are being organised as parking is not easy in Tetbury.

Crudwell Ladies also meet in the Wheatsheaf every 4th Wednesday of each month from 10.30am through to noon. Our next get together will be on **Wednesday 22<sup>nd</sup> April**. All welcome!

# Crudwell Pre-School

We have had Mrs Owen (the reception teacher from Crudwell Primary School) visit us at pre-school and she read a story to the children which they loved. She will be coming back again soon, and we can't wait to see what she reads next.

The Easter bonnet parade was also a success. The children are amazing; they sang beautifully and performed a special dance they had learnt during Lottie's dance class. The children also created their own Easter bonnet, which they paraded before the songs. We ended with an Easter egg hunt where there were over 60 eggs- we still have some left to find!!

We have returned this term to the theme "Disney". We are choosing certain Disney productions and using their songs and story lines to support the children's learning and development. These include Cars, Winnie the Pooh and Mary Poppins. Lastly, the children have been gardening. They have planted potatoes after weeding first and have all planted a sunflower which have been taken home. The children will be taking photos as the sunflower grows to show us all. I wonder which one will grow the tallest?

We have opened our September register so if you would like your child/children to come to our wonderful Pre-School please contact me (Cathy) on 07986622191 or [info@crudwellpreschool.co.uk](mailto:info@crudwellpreschool.co.uk).

Cathy and the team at Crudwell Pre-School.

*Crudwell Pre-school (Charity Reg. No. 1186585) Crudwell Village Hall – Monday, Wednesday, Thursday and Fridays - from 9am to 3pm for 2 to 5 years old.)*

Crudwell Village Hall is a great venue for a variety of functions including children's parties, wedding receptions, meetings presentations, as well as activities and clubs. There is a large fully equipped kitchen, refitted and refurbished facilities, a large hall with a capacity of 150 to 200 people, meeting room, large playing field and a children's playground adjacent to an outdoor fitness area. The hall has free Wi-Fi and drop-down projector screens.

For availability, bookings and more general information, head to our website or email [bookings@cvhrg.org.uk](mailto:bookings@cvhrg.org.uk)

# Crudwell Village Hall

Our thanks to those that joined us for this year's AGM last month and I'm delighted to report that Annie Smith, Damian Gilmartin, Tom Roberts, Jen Wilson, and Kelly Hastings-Trew are all continuing as trustees of Crudwell Village Hall (and Recreation Ground) for the coming year. This is marvellous because they're all great and do so much wonderful, unseen work - and there's lots more of that to be done.

It starts with resurfacing and re-lining the tennis courts, which is now all booked in, scheduled for April, though it needs a clear spell of weather and who knows when that could show up. All done before the bike ride (June 20-21 - register your teams now!) is the ultimate goal.

From what we're hearing, some of you have already discovered the outdoor table tennis table, which we put in place a couple of weeks ago. Making an appearance very soon will be Pinky and Perky, the outdoor table tennis bats. Pinky and Perky like to be played with as much as possible and become sad if they're not left for others to play with so please let's take care of them.

We're still aiming to improve the sound system further by adding a couple more speakers and the reconnection of the input at the back of the hall for sound desks. And we've now settled on a contractor to help us repair the roof and make some additions to mitigate further damage.

There's a lot happening and more pairs of hands would be very welcome so, please, if you want to offset any existential angst by getting involved in making your own patch of the world a little better, please drop me a line at [chair@crudwellvillagehall.org](mailto:chair@crudwellvillagehall.org).

Phil Buxton, chair, Crudwell Village Hall Committee.

## Greetings from All Saints Church

Andy Byron and Kristin Cabot were hoping to blend into the background amongst the 66,000 fans attending the Coldplay concert in Boston last July. Unfortunately, the “kiss-cam” spotted them cuddling up, much to the outrage of their spouses and employers! A crowd does generally offer anonymity. That’s certainly the hope of the un-named woman in Mark 5. She absolutely doesn’t want to stand out. She’s suffered for 12 years from a discharge of blood and has spent all her savings on doctors, to no avail. She’s getting sicker. She’s ‘ritually unclean,’ and banned from the Synagogue. It’s a desperate situation for her.

Large numbers of people gathered round Jesus as he visits her area, but the woman has worked her way through them and has touched the hem of Jesus’ garments. It’s a bold action on her part. No words are said. She clearly believes that touching is enough.

Astonishingly, she receives what she desires. Immediately her blood loss stops! I love this. It says to me that we don’t have to have a ‘PERFECT’ FAITH. That God will meet us in the level of faith we possess, when we reach out for Him. We may be mistaken in the details of what we believe, but God is looking for faith the size of a Mustard Seed. I would dare to say that it is impossible to have a perfect faith, and that God is always meeting all of us in in the landscapes of our limited understanding. So, this woman is healed and then tries to silently slip away into the crowd.

Sometimes, we’re shy or hesitant to talk about our spiritual Life. We want what Christ can give, but we’d like it to be private and hidden. She’s not allowed for the effect of this interaction on Jesus Himself. Her touch is sensed by Him. Jesus can always distinguish between the jostle of a curious mob, and the hopeful touch of a needy soul. As Jesus looks around, so the woman is moved to step forward.

She may have been expecting Jesus to rebuke her - for bringing her illness into contact with Him, but Jesus is very kind. He invites her to come closer and says, “Daughter, your faith has made you well. Go in peace and be cured of your disease” Jesus wants to meet her, so she can hear this special name of tenderness.

So, she went home with a better understanding of who Jesus was and of what He had done. She would never talk of the ‘Magic of the Robe’. Instead, she would always talk of the Lord. Had she been permitted to walk away without that conversation, she may have said happily, ‘I found a cure.’ Now she would always say, ‘I’ve found a friend.’

Jesus won’t let her be anonymous, because He wants her to know she is seen and valued and loved. She goes away restored, remembering not his clothes, but his FACE and WORDS.

When we have the courage to see ourselves as we are, to acknowledge our need of forgiveness and acceptance, we open ourselves to the healing touch of Christ. Our story tells us that Jesus takes a personal interest in you and me. We are much, much more, than just a face in the crowd to Him. Let’s come close.

With every blessing Rev’d Bob
