Crudwell Village Christmas Fair

Saturday 14 November @ 11:00 -3:00 Village Hall.

Excitement is mounting for the Crudwell Christmas Fair which is now only a month away and has more stalls than ever this year and many additional family-friendly attractions.

As many of you know, because you have been to this annual event in previous years, it is not only a chance to stock up early on Christmas gifts not available either online or in the high street, but also a warm-hearted, relaxed community occasion at which to catch up with friends and neighbours over a cup of coffee, a glass of mulled wine, a mince pie or a home-made turkey and stuffing roll to get you in the festive spirit.

Just some of the items on sale include hand-crafted wood products, homeware such as cushions and lampshades, jewellery, unique stationery, wrapped untitled books as surprise stocking fillers, hand-knitted baby clothes and flowers and Christmas wreaths.

Prizes in the raffle include a magnificent Christmas hamper, a £50 voucher towards a meal at The Rectory hotel and a Car Cleaning bundle from Crudwell Garage, plus the ever-popular award-winning bags of Melcourt compost. Raffle tickets are on sale in advance at the Post Office (at the Wheatsheaf) and at Murcott Farm Shop or at the event on the day.

More than 100 prizes are up for grabs in the tombola, and a jar of sweets can be won by anyone correctly guessing the number in the jar. A home-made, beautifully decorated Christmas cake is yours if you correctly guess its weight. There is also a CASH PRIZE for whoever buys the winning square on the Crudwell Treasure Map.

See you there! Proceeds for All Saints Church and all cookie sales for Crudwell CE School.

Crudwell Ladies Lunch Club

The Crudwell Ladies Lunch Club will be meeting on the 16th November at 12.30pm at The Rectory and our speaker will be talking and demonstrating to us, The Magic of Bubbles. If you would like to join us, please contact us on cilla@lambe.co.uk for details of costs etc. New members and guests are always most welcome.

Coffee & Chat

The friendly monthly coffee morning will be held in All Saints Church, Crudwell on Wednesday 11 November between 10.30 - 12 noon. The Ukulele band who entertained us so well last December, will be returning for our Christmas coffee morning on Wednesday 9 December - local residents, friends and visitors are very welcome!

For further information, please contact Rosemary Williams on 01666 575073.

North Wilts Flower Club

We are looking forward to our open meeting with Nick Grounds, a National Demonstrator at Malmesbury Town Hall, on Wednesday 18th November at 7.30pm. All are welcome to what should be an excellent evening. Tickets are now on sale (£20 for members, £25 for visitors) and include delicious canapes and a glass of bubbly. For more information, or to purchase tickets, email nwvflowerclub@gmail.com, call 07817 242888, or visit our website northwiltshirevillagesflowerclub.co.uk

On Saturday 28th November we are holding a Christmas Wreath Making Workshop at the Riverside Community Centre in Malmesbury from 2pm to 4.30pm. This will be open to anyone at a cost of £40 including tea and mince pies. If you'd like more information or to book, please check our website above or our Facebook page – North Wiltshire Villages Flower Club. Places are limited so book soon!

Our final event of 2026 will be a Christmas lunch at the Old Royal Ship at Luckington on December 16th, providing an opportunity to relax and enjoy each others company.

Dorothy House Quiz Night

Many thanks to all who supported the Quiz Night which was a sell-out. We made a record £985.

Thanks also to all who gave raffle prizes including The Thames Head, near Kemble, and The Greyhound at Siddington.

Parish Council and Neighbourhood plan November

Parish Council Meetings:

The most recent full Council meeting took place on Tuesday, 27th of October. Minutes from all meetings, as well as the agenda for upcoming sessions, are available on our website:

<https://www.crudwell-pc.gov.uk/category/minutes/>

The next Parish Council meeting is scheduled for **Tuesday, 24th of November 2026** at 7:00 pm in Crudwell Village Hall. Members of the public are welcome to attend, with the opportunity to speak during the initial ten minutes of each meeting.

Crudwell FLAG

Having proposed the formation of Crudwell FLAG, we continue to support the group and work closely with its volunteers, we are very grateful for their efforts. Recent work includes clearing a large obstruction from the brook between The Butts and Kings Meadow, as part of ongoing volunteer efforts to keep our watercourses clear.

Visit by Wiltshire Council Officers Weds 7th October. Wiltshire Council officers from the Flood Alleviation, Drainage and Highways teams visited Crudwell. Joined by Parish Councillors and members of FLAG they walked the village with FLAG leader Ben Preece to show where improvements to roads and drainage could be made to help alleviate flooding.

Exercise Resilient Swill Brook – with the Environment Agency (EA)

Parish councillors, flood wardens and residents attended the exercise to explore how the village can prepare for and respond to extreme weather. Led by Mat Lloyd, a Flood Resilience Engagement Advisor for the EA's Thames Area, participants worked through flooding and other water-related emergency scenarios. Feedback from the discussions was shared by the facilitator. Representatives from Wiltshire Council, the fire brigade, and Wiltshire and Swindon Prepared shared their expertise and answered questions. This was a valuable opportunity to strengthen local preparedness. We thank Crudwell FLAG for organising the event and Pettifers Hotel for hosting it.

MP Roz Savage Flooding Meeting - Friday 23 October

Roz Savage brought together residents and the organisations involved in managing our roads, rivers and water infrastructure to talk about flooding across the South Cotswolds.

The afternoon was very well attended and included:

- Updates from local councils, including how councils are working together across constituency and county boundaries.
- Examples of positive local action, including contributions from flood wardens and community flood groups including Crudwell FLAG.
- Updates from highways and environmental agencies on work taking place across the South Cotswolds.
- Updates from local water companies on their work to address flooding and support affected communities.
- A panel discussion and Q&A, giving residents the opportunity to put their questions directly to those responsible for tackling flooding.

Led very effectively by MP Roz, this was an extremely effective event in bringing communities who are increasingly at risk from flooding together to share information, organisation's plans and best practice in flood alleviation activity and preparedness.

2021 Neighbourhood Plan News on the development of the Tuners Lane site is awaited from the agents.

2038 Neighbourhood Plan Review. Regulation 14 Public Consultation .Issues raised by WCC

Wiltshire Council's formal representation raised several significant issues, primarily arising from changes to regulations and the withdrawal of Wiltshire Council's Local Plan. These issues are summarised below.

- **Housing requirement:** Wiltshire Council now requires a new Housing Needs Assessment (HNA), as there is no Local Plan specifying a housing requirement for Crudwell pending the availability of the new Plan. The HNA, once available, together with the completed Regulation 14 consultation, will support the emerging plan and its evidence base. The plan's policies may carry some weight in planning decisions, but these steps do not guarantee protection against speculative development. It has been agreed to commission the assessment using existing budgets, and that work is now in progress.
- **Local Nature Recovery Strategy:** New legal compliance requirements relating to the Local Nature Recovery Strategy (LNRS) may affect the plan. Officers suggested that the proposed sites in Crudwell could serve as a case study, particularly as the site south of Tetbury Lane is an LNRS site. No further update on this proposal has been received from Wiltshire Council to date.
- **Affordable housing:** Wiltshire policy requires at least 40% affordable housing. Two of the proposed site allocations offer 50%, but Wiltshire Council did not support this proportion in its formal representation. Officers stated that the HNA would provide sufficient evidence of the need for 50% affordable housing, but that the viability of delivering this proportion would also need to be demonstrated. The agents have therefore been asked to confirm that the proposed 50% affordable housing provision is viable.
- **Strategic Environmental Assessment:** The Steering Group is revising the Housing Sites Allocation Paper following two additional site proposals received during the Regulation 14 consultation. This review will determine whether the Strategic Environmental Assessment (SEA) needs updating. As the Government's Locality Framework no longer provides free support, any update would require separate funding. AECOM, the original SEA authors, has been asked for a quotation.

Financial Review

A financial review was undertaken and reported to the September meeting to assess the additional Parish Council expenditure needed to complete the new Neighbourhood Plan. The review confirmed that existing commitments could be met, but that additional technical support arising from new requirements and delays would require funding beyond the approved budget.

We are reviewing options for completing the plan as cost-effectively as possible, including whether it can be completed without revising the Strategic Environmental Assessment (SEA).

Given the continuing uncertainty and delays in progressing the plan with Wiltshire Council, little additional expenditure is expected in 2026. A decision on how to proceed can therefore be made when reviewing the precept requirement for 2027/28. By then, the availability of funding from other sources should also be clearer.

In the meantime, the completed Regulation 14 consultation and forthcoming Housing Needs Assessment will support the emerging plan and its evidence base. The plan's policies may carry some weight in planning decisions, but these steps do not guarantee protection against speculative development.

Roy F Hamilton-Lambley, Chairman, Neighbourhood Plan Steering Group

Crudwell Village Hall

Our deliberations are complete and our priorities for the next phase of investment for the playing fields set.

In short, we're looking to install the following: a zip wire, fruit trees and wild-flowers, benches around the path, and more picnic tables. We're really excited to have all this in place before the summer and to start enjoying the new-look recreation ground very much as it was envisioned three or so years ago.

All this will need maintaining of course but we'll also be looking to build a community group charged with planting and taking care of the new 'orchards', and to involve the children of both the pre-school and primary school. The benches too will have the potential for being dedicated to villagers past and present so more news on that soon.

With the hall likely to need a new floor in the near future, this upcoming work on the fields will represent the bulk of the remaining investment available to us and new rounds of fundraising will need to begin, especially as we look to take the hall's energy needs off of fossil fuels and to build in some energy independence too. We're hunting for people to look at the possibilities for this still.

We've had some pleasing interest in potential new members of the committee for the hall, which is great. But, by this time next year, the wonderful Nigel Kelly will be taking well-earned leave of his volunteer caretaking duties. He's irreplaceable but we'll have to try - might it be you?

If you're interested in any of these activities and in helping us in any of our work, please reach out to me at chair@crudwellvillagehall.org.

Phil Buxton, chair, Crudwell Village Hall Committee.

Crudwell Village Hall is a great venue for functions, including parties, wedding receptions, meetings, presentations, as well as activities and clubs. It features: a large hall with a capacity of 150 to 200 people; large, fully equipped kitchen; separate meeting room; large playing field with walking path and picnic tables; and a children's playground adjacent to an outdoor fitness area. The hall has free wi-fi and a drop-down projector screen. For more information, availability, and bookings, head to our website or email bookings@cvhrg.org.uk

It is with great sadness that I announce the passing of my mother Shirley Lewis, one time resident of Littlemead Tetbury Lane, on Monday 12th October.

If you would like details of the funeral arrangements, please message Kathleen on 07952703301.

Contact us at woicrudwell@gmail.com if you have any family notices you would like to share in our pages. We would also be delighted to hear from new arrivals in the village who would like to introduce themselves.

Crudwell CE Primary School

Crudwell CE Primary School Celebrates Positive Ofsted Inspection

The whole school community at Crudwell CofE Primary School is delighted with the outcome of our recent Ofsted inspection, published in October 2026. Inspectors recognised the many strengths of our school and highlighted the warm, nurturing environment that enables children to flourish both academically and personally. The report reflects what our pupils, parents, staff and governors know so well: Crudwell is a school where children are encouraged to aim high, develop confidence and enjoy learning. Inspectors noted the positive relationships that exist throughout the school and the strong sense of community that underpins daily life. They also recognised the commitment of leaders and staff to ensuring every child receives the support and challenge they need to succeed.

As a small village school with a big heart, we are proud of our Christian values and our vision of providing our children with “Roots to Grow and Wings to Fly”. The inspection outcome is a testament to the hard work of our dedicated staff, the enthusiasm of our pupils, and the unwavering support of our families and wider community.

While we are pleased that the inspection has recognised our strengths, we remain committed to continuous improvement and to providing the very best educational experience for every child who attends our school. Our focus remains on helping children become confident, resilient learners who are well prepared for the next stage of their education.

If you are considering a primary school place for your child, we would be delighted to welcome you for a visit. Prospective parents are invited to contact admin@crudwell.wilts.sch.uk to arrange an appointment to look around the school, meet our staff and experience first-hand what makes Crudwell such a special place to learn and grow.

They will weave a programme of fantastic lesser-known repertoire with fresh takes on some firm favourites - music by Corelli, Telemann, Sidney Bechet, Barbara Thompson, Dinicu and more.

CO-OPTED GOVERNOR VACANCY CRUDWELL CHURCH OF ENGLAND PRIMARY SCHOOL

Crudwell Church of England Primary School's governing body has a vacancy for a Co-opted Governor. If you are interested in using your skills, experience and time to help make a positive contribution to the school and its pupils, then we would love to hear from you.

Enthusiasm, commitment and the time to get involved are the key qualities that we're looking for. However, it would be desirable if you also have experience of teaching or working in a school, but this is not essential if you have other skills and experience that will add value to the governing body.

What is a school governor? School governors have a varied and important role in helping our school run effectively. They have four core functions:

- Ensuring clarity of vision, ethos and strategic direction for the school.
- Holding the Headteacher to account for the educational performance of the school and its pupils, and the effective and efficient performance management of staff.
- Overseeing the financial performance of the school and making sure its money is well spent.
- Ensuring the voices of stakeholders are heard.

The governor role is strategic rather than operational. Governors don't get involved with the day to day running of a school, instead supporting and challenging the school's leadership team to drive school improvement. They champion the work the school does.

If you join our governing body, you will serve for a four-year term. Being a school governor is a rewarding experience, but it does require a reasonable time commitment. There are six governing body meetings each year, and governors serve on at least one of our three committees which all meet four to six times a year. You will need to dedicate time to be an effective governor: time to prepare for meetings, for visiting the school, undertaking training and updating. However, excellent support and development opportunities are available.

How do I apply? If you are interested in applying to be a Co-opted Governor at Crudwell Church of England Primary School, please complete the application form on the school website (<https://www.crudwellprimary.co.uk/vacancies>) and email it to clerk@crudwell.wilts.sch.uk. In addition, either before or after the submitting an application, we would like you to have a discussion with the Chair or Vice Chair of Governors to establish that you fully understand the demands of the role and to answer any questions that you may have.

The deadline for applications is Friday 30 October 2026. For more information, please contact: Tim Kaner, Chair of Governors, Crudwell Church of England Primary School – TKaner@crudwell.wilts.sch.uk

Greetings from All Saints Church

We're coming to the end of autumn, described by the poet John Keats in the 1800's as that season of 'mists and mellow fruitfulness'. November feels like a month to take stock after the busyness of the summer with its holidays and sunshine, and the early autumn with its riot of colour and harvesting of ripe crops. Why not use it at a time for reflection, as the daylight hours shorten and the evenings draw in? Our Church calendar provides us with opportunities:

1 November is All Saints' Day, when the church remembers all faithful people and celebrates the ordinary folk who haven't necessarily been recognised in other ways.

2 November is All Souls' Day*, dedicated specifically to thinking of those we love but see no more. Traditionally, families visited graves to clean headstones, leave flowers, and light candles. * A Quiet All Souls Service is being held in Ashley Church on Sunday, 1 November at 5pm – all are welcome. *

8 November is Remembrance Sunday this year (the nearest Sunday to Armistice Day on 11 November) and marks our national day to honour the service members and civilians who died in World Wars and later conflicts. A Two-Minute Silence is observed nationwide at 11:00 am, when we give thanks for those who gave their lives in order that we may continue to live in freedom. There will be services at Charlton, Crudwell, Hankerton, Minety and Oaksey churches, all starting at 10.45am.

22 November celebrates Christ the King, highlighting that Jesus rules by way of love and grace, not by physical force. Established in 1925, the Feast of Christ the King also marks the end of the Church year, right before the season of Advent begins.

The Bible teaches us that we must strive to live alongside one another in peace and love - and these November dates give us the time, space and opportunity for reflection, whether sitting alone in a church, attending a service, or in a favourite place. In our war-weary, and sometimes quite stressful, world, we need to use every opportunity to 'Do all that you can to live in peace with everyone'. +
